Stanton Leys House

Stanton Lees, Matlock, DE4 2QU

Georgian elegance, reimagined for modern life.

A beautiful example of Georgian architecture, the house has been sympathetically restored and thoughtfully extended, retaining the proportions, symmetry and quiet elegance of its origins while introducing the space, light and simplicity expected of modern family life.

Approached along a private drive and sitting within its own landscaped grounds, the setting is wonderfully peaceful. Mature trees frame the handsome stone façade, while terraces and gently falling lawns open towards far-reaching countryside views. It feels private and secluded, yet the gardens remain considered and usable, equally suited to summer evenings around the table, children disappearing onto the lawn or simply enjoying the stillness of the surrounding landscape.
