PROPERTY DESCRIPTION

Available Now

This deceptively spacious terraced cottage in Hadfield would be ideal for the single professional or couple who require well-presented accommodation with a private garden.

The property comprises a lounge, kitchen/diner, and to the upstairs are 2 very good-sized bedrooms and a bathroom.

Ideally located close to Hadfield train station and town centre.

Upon entry, the living area welcomes you with a large fireplace. The renovated kitchen/diner with built-in units leads to the outbuilding and rear garden.

The back door opens to a path with grassed areas on both sides, leading to the outbuilding for garden tool storage.

On the first floor, the master bedroom is a double with a UPVC window facing the street. The second bedroom, located at the rear, features built-in storage that houses the boiler and overlooks the garden.
