Bellway

A reputation you can rely on

When it comes to buying your new home it is reassuring to know that you are dealing with one of the most successful companies in the country, with a reputation built on designing and creating fine houses and apartments nationwide backed up with one of the industry's best after-care services.

In 1946 John and Russell Bell, newly demobbed, joined their father John T. Bell in a small family owned housebuilding business in Newcastle upon Tyne. From the very beginning John T. Bell & Sons, as the new company was called, were determined to break the mould. In the early 1950s Kenneth Bell joined his brothers in the company and new approaches to design layout and finishes were developed. In 1963 John T. Bell & Sons became part of the public corporate scene and the name Bellway evolved.

Today Bellway is one of Britain's largest house building companies and is continuing to grow throughout the country. Since its formation, Bellway has built and sold over 100,000 homes catering for first time buyers to more seasoned home buyers and their families. The Group's rapid growth has turned Bellway into a multi-million pound company, employing over 2,000 people directly and many more sub-contractors. From its original base in Newcastle upon Tyne the Group has expanded in to all regions of the country and is now poised for further growth.

Our homes are designed, built and marketed by local teams operating from regional offices managed and staffed by local people. This allows the company to stay close to its customers and take key decisions about design, build, materials, planning and marketing in response to local and not national demands. A simple point, but one which we believe distinguishes Bellway.

Fine country living - close to the city

If you're looking to enjoy an idyllic rural lifestyle close to an historic spa town, yet with fast, direct transport links to Birmingham, Worcester and other towns in the West Midlands, you'll find just what you're looking for at Newland Manor, a development of just thirty-nine 3, 4 & 5 bedroom quality family homes in immaculately landscaped grounds.

Newland Manor is set back off a quiet country lane amidst verdant, pastoral surrounds to the south of the celebrated town of Droitwich Spa, where open fields, old woods and glorious, traditional English countryside stretch away to the south and west. The area is also rich in historic sites, nature reserves and parks.

Droitwich Spa itself is a town filled with attractive old buildings and quaint shopping lanes where tea shops and restaurants are complemented by an eclectic mix of traditional shops as well as a regular Farmer's Market. There are Waitrose, Morrisons and Aldi supermarkets for everyday shopping. Schools for all ages are plentiful in the town and the surrounding area, while excellent leisure facilities include Droitwich Leisure Centre, Droitwich Spa Lido, and no less than six golf courses ring the town.

The beautiful, historic cathedral city of Worcester lies less than six miles to the south, offering a wealth of shopping and leisure facilities, including theatres, two multi-screen cinemas, fine restaurants and big name stores combined with an irresistible mix of one-off independent retailers.

Whether you need to travel by road or rail, there are excellent transport links from Droitwich for destinations throughout the West Midlands. Droitwich Spa Station, just over 2.5 miles from Newland Manor, offers regular services to both Worcester and Kidderminster in around 10 minutes, and Stourbridge in about 25 minutes and of course Birmingham New Street in just over half an hour. By road, you are conveniently positioned for the M5, connecting to the M42 and the M6. Southbound will take you to Worcester and the M50, and Birmingham International Airport is less than 40 minutes away.

Customer Care

Our dedicated Customer Care department will ensure your move to a new Bellway home is as smooth as possible

For over sixty years the name Bellway has been synonymous with quality craftsmanship and quality homes; we are justifiably proud of this reputation and work hard to provide you with a home that meets with your dreams.

From the day a customer visits our sales centre to the move-in day we aim to provide a level of service and after-sales care that is second to none.

In recognising the close involvement our customers seek in purchasing their new homes we deliberately gear our sales hand-over process to involve our customers at every possible opportunity. Firstly all our homes are quality checked by our site managers and sales advisors. Customers are then invited to pre-occupation visits; this provides a valuable opportunity for homeowners to understand the various running aspects of their new home. On the move-in day our site and sales personnel will be there to ensure that the move-in is achieved as smoothly as possible.

Providing customer care and building quality homes is good business sense. However, we are aware that errors do occur and it has always been our intention to minimise inconvenience and resolve any outstanding issues at the earliest opportunity. In managing this process we have after sales teams and a Customer Care centre that is specifically tasked to respond to all customer complaints.

We have a 24 hour emergency helpline and provide a comprehensive information pack that details the working aspects of a new home; a 10 year NHBC warranty provides further peace of mind.

We are confident that our approach to building and selling new homes coupled with our Customer Care programme will provide you with many years of enjoyment in your new home.
