WELCOME

A modern residence that puts comfort, convenience and quality first.

Poplar Design and Construction proudly presents its newest residential development: a collection of contemporary homes designed to combine elegant interiors, practical living spaces and an excellent selection of lifestyle amenities.

Every aspect has been thoughtfully considered to meet the expectations of today's homeowners, with particular attention given to creating functional and welcoming residential spaces.

THE APARTMENTS

Space for living, outdoors and in.

A private balcony

Every apartment benefits from its own balcony, extending the living environment beyond the interior. Enjoy a quiet morning coffee, unwind after a busy day or simply take in some fresh air, throughout the year.

A dedicated wet room

A separate, convenient space for laundry and other domestic activities, helping residents keep their homes organised and functional. A thoughtful addition that pairs contemporary design with the practical needs of modern life.

INTERIORS

Elegant interiors. Practical living spaces.

Carefully considered apartment features that bring contemporary design together with everyday practicality.

LIFESTYLE AMENITIES

Comfort and convenience, beyond your front door.

Fitness gym

Exercise facilities on hand within the development, for an established routine or simply more activity in everyday life.

Resident amenities

Additional shared amenities further enhance the offering, creating an environment designed to support comfort and convenience.

Secure underground parking

A practical, accessible solution for vehicle storage, keeping the external environment more organised.
