Location

Brixton

Loved by those in the know, Brixton has a massively dedicated fan-base in people in search of culture, cuisine and nightlife. The redevelopment of Brixton's covered market has created a mecca to global cuisine; as well as the iconic cinema and arts venue, Windrush square with its new museum and Tate library, the many great pubs, restaurants, music venues and night clubs make it clear why this is one of the fastest growing areas of London in the popularity stakes. Great transport links (with further proposed improvements) and Brockwell park, regarded by many as the capital's best open space complete the set of lifestyle bonuses in this very fresh and vibrant corner of London.
