Mitchell Lodge

Mitchell Lodge is a delightful development of 36 one and two-bedroom retirement apartments located in the village of Bitterne, a suburb of the maritime city of Southampton. It is named after Reginald Joseph Mitchell, the designer of the Vickers Supermarine Spitfire fighter plane. Reginald Mitchell lived in Southampton and the Spitfire first flew from Eastleigh Aerodrome, now Southampton Airport, on 5th March 1936.

Mitchell Lodge is ideally located for the centre of the village, a pedestrianised shopping precinct, which offer a wide selection of shop and amenities; supermarkets and a nearby Post Office, Doctors Surgery with Pharmacy, a Library and Churches

Southampton itself is one of Britain's most historic ports and is a vibrant and modern city. The city is firmly established as the UK's number one cruise port with a waterfront that welcomes some of the world's greatest liners and cruise ships. As well as the right maritime heritage, there is also a wealth of beautifully kept parks and green spaces, which rightly earn Southampton the title of 'the green city'. Southampton is also on the doorstep of England's smallest national park, The New Forest, an ancient forest which consists of the 145 square miles of open heath and woodlands, home to its famous wild ponies.

The village is well served by public transport with regular train services to Southampton, Portsmouth and Southsea and buses catering for a variety of local journeys, enabling you to travel when you wish.

The Lodge manager is on hand throughout the day to support the owners and keep the development in perfect shape. They arrange many regular events in the Owners' Lounge from coffee mornings to games afternoons.

A Guest Suite is available for your friends and family to stay in. In addition, you are entitled to use of the Guest Suites at all Churchill Living developments across the country. Prices are available from the Lodge Manager.

Mitchell Lodge has been designed with safety and security at the forefront. The apartment has an emergency Careline system installed, monitored by the onsite Lodge Manager during the day and 24 hours, 365 days a year by the Careline team. Careline integrated intruder alarm, secure video entry system and sophisticated fire and smoke detection systems throughout both the apartment and communal areas provide unrivalled peace of mind.

Mitchell Lodge is managed by the award winning Churchill Estates Management , working closely with Churchill Living and Churchill Sales & Lettings to maintain the highest standards of maintenance and service for every lodge and owner.

Mitchell Lodge requires at least one apartment resident to be over the age of 60 with any second resident over the age of 55.
