It's a brilliant option for first-time buyers, young families or anyone looking for a home that's ready to enjoy from day one.

You enter through a handy entrance porch, which leads into a lovely, bright living room. It's a welcoming space with plenty of natural light and a really nice, airy feel.

To the rear is the dining kitchen, which has been replaced by the current owners and offers a modern, practical space for everyday living. There's room for a dining table too, making it a great spot for everything from morning coffees to having friends round for dinner.

Upstairs, there are three bedrooms, offering flexibility for families, guests or anyone needing a home office. The bathroom has also been updated, continuing the modern feel throughout the house.

Outside, there's an enclosed rear garden, providing a lovely space to sit out, entertain or enjoy a bit of sunshine. There's also the added bonus of a garage, which is ideal for parking or extra storage.

And then there's the location, which really is a huge selling point!
