

Available to view now for first time occupation, a huge lateral apartment of over 2,000 sq ft, with full river views, roof terrace and secure parking, available in The Capital Building, Embassy Gardens. Designed to the highest specification, the apartment boasts comfort cooling and abundant natural light reminiscent of a Manhattan loft apartment. Located on the banks of the Thames and near London's cultural South bank, residents not only enjoy a wealth of the Capital's finest attractions and amenities practically on their doorstep but also premium residents facilities including an exclusive private club.
