

A duplex penthouse apartment, totalling nearly 5,000 sq ft, offering incredible interiors and sizeable entertaining space externally, divided into a series of different outdoor zones including an al fresco kitchen, dining and relaxation area and two outside covered spaces. This apartment in Jaegar House at Chelsea Creek offers an extremely rare opportunity to acquire such a sizeable apartment. The property is accessed through a security controlled lift, and flows internally and externally to create a relaxed space within this luxurious development, moments from the river Thames.
