

Fitzwarren Court - Swindon

Assisted Living - an innovative alternative to a care home

Welcome to Fitzwarren Court - helping you stay independent for longer

Fitzwarren Court is located on Kingsdown Road close to Stanton Fitzwarren, yet just a short drive from Swindon.

Here you will find an attractive development of one and two bedroom retirement apartments and studios providing

independent living with the option of care and support delivered by qualified staff and tailored to your own individual needs.

You will also have access to a wide range of social and leisure facilities in a safe, secure and friendly environment, all set in delightful landscaped gardens.

Founded on Christian principles in 1943, MHA is one of the UK's leading charitable providers of accommodation, care and support for older people. We believe our approach is unique, nurturing the mind, body and spirit – setting us apart from other care providers.

Assisted Living - a flexible alternative to residential care

Perhaps you're finding everyday tasks such as cooking, cleaning or getting dressed are becoming more difficult and you simply want a little help. Perhaps maintaining your property is becoming too much. Or you may need more intense personal care, up to care home levels, either on a temporary or more permanent basis. Whatever your personal situation, the

benefit of assisted living is that you retain your independence, with your own home and your own front door with access to flexible care and support as and when you need it.

You will also be surrounded by like minded friends and neighbours, and have facilities and activities to enjoy later life in comfort and with companionship.

Moving made easy

At MHA, we understand that moving house can be stressful but we are here to help. After all, moving to an assisted living property is all about making things easier and gaining an improved quality of life.

Assisted Living – we'll take much of the hassle out of daily living

- **External property repairs and upkeep** – we do it all for you
- **Cooking** – we provide three meals a day with plenty of choice
- **Household chores** – we provide weekly domestic help, with more if you need it
- **Utility bills, Council Tax and buildings insurance** are also included in your plan
- **You don't have to worry** about your personal safety – we offer 24hr emergency support should the need arise
- **There'll be no need** to feel isolated or lonely – you have new friends on your doorstep and the option of daily contact from our team
- **You'll have no time for boredom** as there's always something to do

Your home - more than just a room with a view

At Fitzwarren Court you have the opportunity to purchase your new home outright, rent it or choose a shared ownership option. Shared ownership means that you purchase a percentage of the property and pay rent on the remaining amount.

When you purchase your new home you have the added reassurance of knowing that the equity in your property is protected.

What's more, service fees at Fitzwarren Court are very competitive compared with those of a typical care home with similar levels of support.

Whatever you decide, you will have a home that is yours to furnish and decorate to your own taste.

Fitzwarren Court apartments & studios offer generous living space and have been designed to meet the needs of those in later life. Particular attention has been given to making life easier for residents by incorporating safety features and consideration to the needs of those with mobility issues.

“ I felt a bit on my own before I moved to an MHA scheme, but now there's no time to be bored or lonely ”

Care and support - as individual as you are

Our flexible care and support service is optional and tailored to your needs.

It could simply mean providing you with extra help around the apartment. It could mean help with more personal tasks such as bathing and getting dressed or providing more intensive levels of care that you'd normally receive in a care home. Whatever your needs, you can be assured that the support you need will be delivered with dignity and respect by a member of our friendly team.

“ I've got my independence, but help is on hand if I need it. ”

Care and support is an optional service

so you might not need any support at all but it's good to know that if that changes, help is on hand straight away.

And because our care is so flexible, we can accommodate couples who have different needs.

If you need care when you join us, you will have an in-depth consultation with one of our trained staff to develop your own individual care plan.

As well as physical support, MHA prides itself on offering spiritual support to help maintain personal well-being and a sense of purpose. Each MHA scheme has a dedicated Chaplain who can provide a listening presence and one-to-one pastoral support for all residents – regardless of faith, background or need.
