## For any Viewings, Please Quote JK1243 - Contemporary Coastal Living with Far-Reaching Sea Views

A stylish and deceptively spacious detached home, perfectly positioned in the sought-after upper reaches of Preston. Designed with modern living in mind, the impressive open-plan lounge, kitchen and dining space creates a light, sociable heart to the home, complemented by four generous double bedrooms, two with en-suites. Outside, the southerly-facing terraced garden and composite sun deck provide the perfect setting for morning coffee, summer dining or relaxing in the sunshine, with far-reaching sea views adding to the sense of escape. Ideally located within easy reach of Preston's excellent selection of shops and amenities, including Tesco, Sainsbury's, doctors' surgery and sub post office, while both Preston and Paignton beaches are close at hand. A superb home for embracing a relaxed, contemporary lifestyle.
