19 Wakeman Street

Worcester

Offered with no onward chain, this terraced house presents an appealing opportunity for buyers seeking a home with good access to the city centre. The property offers a practical layout, with two reception rooms providing flexibility for everyday living as well as kitchen and ground floor bathroom. To the first floor are two double bedrooms, together with a separate dressing room access from the rear bedroom that adds useful space for clothing and storage or could be used as a home office or nursery. To the rear is enclosed rear garden with double gates leading out toward Sydney Street.
