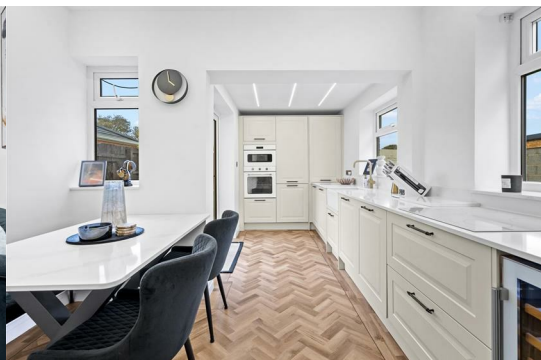
Igomove are pleased to present this beautifully renovated three-bedroom semi-detached home on Elmwood Road, Hartlepool. Combining traditional charm with stylish contemporary finishes, the property boasts an inviting bay-fronted lounge, an impressive newly fitted kitchen and dining room, and a four-piece family bathroom. A good-sized rear garden, driveway providing parking for two vehicles and detached garage complete this superb home.



The property creates an attractive first impression, with a traditional bay frontage combining warm brickwork, white render and contrasting dark tile detailing. Inside, the entrance hallway features decorative wall mouldings, statement pendant lighting and an elegantly finished staircase with a neutral runner and contrasting black edging.

Positioned to the front, the lounge offers a welcoming retreat, with a generous bay window and herringbone-pattern LVT flooring. A multifuel stove sits within an exposed-brick fireplace, complemented by a fitted media wall, illuminated display shelving and alcove cabinetry.

To the rear, the newly fitted kitchen and dining room pairs cream Shaker-style cabinetry with quartz work surfaces and contrasting dark handles. A Belfast sink and brass-toned hot-water tap add an elegant finishing touch, while integrated appliances include a fridge/freezer, washing machine, dishwasher, oven and microwave, complemented by a hob and wine cooler.

Contemporary LED lighting enhances the space, with the herringbone-pattern flooring continuing from the lounge. There is room for a dining table, while French doors open directly onto the rear garden. An understairs cupboard provides useful additional storage.

Completing the ground floor, the family bathroom features a bath, separate glazed shower enclosure, pedestal washbasin and WC, finished with pale marble-effect wall tiling and warm neutral floor tiles.

Upstairs, the bay-fronted master bedroom provides an inviting double room with fitted wardrobes, soft carpeting and its own en-suite WC with vanity washbasin. A further double bedroom overlooks the rear and also benefits from fitted wardrobes, while the generous single bedroom is currently arranged as a nursery. The partially boarded loft, accessed via a fitted ladder, offers valuable additional storage.

Outside, the enclosed rear garden is predominantly laid to lawn, with timber edging defining two gently differing levels and space for seating and outdoor enjoyment. The driveway extends along the side of the property towards the detached garage.
