

HORNSEY DESIGN AND DEVELOPMENT PRESENTS

Modern living, in a desirable neighbourhood.

COMPLETION ANTICIPATED

Q1 2029

WELCOME

Comfort, convenience and quality living.

Hornsey Design and Development proudly presents its newest residential development: an impressive collection of contemporary homes combining modern architecture, stylish interiors and practical amenities in a desirable neighbourhood.

Each apartment has been thoughtfully designed to maximise everyday comfort, with practical features that complement modern lifestyles. Completion is anticipated in Q1 2029.

IN EVERY APARTMENT

Outdoor space and practical living, built in.

A private balcony

Every unit has its own outdoor space. Enjoy a morning coffee, relax after a busy day or simply take in the surrounding neighbourhood.

A dedicated wet room

A designated area for laundry and other household activities, keeping everyday tasks organised in a clean, comfortable home that is as functional as it is visually appealing.

SECURITY AND CONVENIENCE

A professionally managed home.

24-hour security

Round-the-clock security adds a further layer of peace of mind for every resident.

On-site concierge

Convenient assistance and a welcoming atmosphere for residents and visitors alike.

THE LOCATION

A great neighbourhood, a well-positioned home.

An attractive setting for those looking to establish a home in a well-positioned residential area, with the potential to enjoy nearby everyday amenities, local facilities and the wider neighbourhood.

An appealing choice for buyers who value accessibility alongside a comfortable residential lifestyle.

COMPLETION SCHEDULED

Q1 2029

An excellent opportunity to secure a contemporary home in an attractive neighbourhood. From individual wet rooms to 24-hour security and concierge services, every feature contributes to a residential environment centred on comfort and practicality.

Contemporary design, private outdoor spaces and practical in-apartment amenities, carefully planned for modern homeowners.
