BEAUFORT GREEN

Harwood Road, SW6
£2,950 Per month

A beautifully composed two-bedroom apartment in the heart of Fulham, with decorative period details, a practical two-bathroom layout and a private garden framed by established planting. The interiors feel understated and comfortable, allowing the proportions and original character to take the lead.

BEAUFORT GREEN

The plan is simple but well judged: reception and kitchen occupy the front and middle of the apartment, while both bedrooms sit away from the street at the rear. The two-bathroom arrangement adds useful flexibility, and the garden gives the sleeping spaces a quieter, greener outlook.

Set within an attractive period building on Harwood Road, this two-bedroom, two-bathroom garden apartment offers generous proportions, traditional architectural details and a well-considered layout in the heart of Fulham.

The reception room sits to the front of the property, where a large bay window, decorative cornicing and a feature fireplace bring a sense of character to the space. Warm timber flooring and neutral interiors provide a timeless backdrop, with ample room for both relaxed seating and dining. A separate kitchen is positioned just beyond, offering plenty of cabinetry and worktop space.

Both double bedrooms are arranged towards the rear of the apartment, overlooking the garden. One benefits from an en suite shower room and French doors opening directly onto the outdoor space, while the other features generous fitted wardrobes. A separate bathroom with a bath and overhead shower completes the accommodation.

The enclosed rear garden is a particularly appealing addition, with established greenery, raised planting beds and a paved terrace offering plenty of scope to create a welcoming outdoor retreat.

Harwood Road is ideally positioned to enjoy the neighbourhood charm of Fulham, with independent cafés, restaurants, the green open spaces of Eel Brook Common and the excellent transport connections of Fulham Broadway all within easy reach.
