Bellway

A reputation you can rely on

When it comes to buying your new home it is reassuring to know that you are dealing with one of the most successful companies in the country, with a reputation built on designing and creating fine houses and apartments nationwide backed up with one of the industry's best after-care services.

In 1946 John and Russell Bell, newly demobbed, joined their father John T. Bell in a small family owned housebuilding business in Newcastle upon Tyne. From the very beginning John T. Bell & Sons, as the new company was called, were determined to break the mould. In the early 1950s Kenneth Bell joined his brothers in the company and new approaches to design layout and finishes were developed. In 1963 John T. Bell & Sons became part of the public corporate scene and the name Bellway evolved.

Over 60 years of great homes and great service

Today Bellway is one of Britain's largest house building companies and is continuing to grow throughout the country. Since its formation, Bellway has built and sold over 100,000 homes catering for first time buyers to more seasoned home buyers and their families. The Group's rapid growth has turned Bellway into a multi-million pound company, employing over 2,000 people directly and many more sub-contractors. From its original base in Newcastle upon Tyne the Group has expanded in to all regions of the country and is now poised for further growth.

Our homes are designed, built and marketed by local teams operating from regional offices managed and staffed by local people. This allows the company to stay close to its customers and take key decisions about design, build, materials, planning and marketing in response to local and not national demands. A simple point, but one which we believe distinguishes Bellway.

Fantastic facilities and stylish homes

Bellway Homes are delighted to present Earl's Green. Situated in the heart of Barassie, the South Ayrshire village benefiting from some of Scotland's most beautiful beaches, these stunning 2, 3, 4 and 5 bedroom family homes combine location, convenience and stunning design.

Within easy walking distance of Earl's Green, Barassie beach is a beautiful stretch of sandy beach with views out to the Isle of Arran and the Firth of Clyde. Lying north of the Troon harbour, this beach is popular with those who enjoy thrill seeking watersports such as kitesurfing, windsurfing and sailing. Equally, the long wide stretches of sand, fringed by grassy areas, are perfect for those of you who simply fancy a stroll along the seashore taking in the spectacular views. Being so close to home, Barassie beach is the perfect place perhaps for an early morning run or for taking the dog for a walk to wind down after a hard day at work.

Barassie wouldn't be complete without a mention of its most famous landmark. The Royal Troon Golf Club, founded in 1878, boasts an illustrious history, continuing today. Royal Troon will play host to the 2016 Open, the 145th Royal Championship, when it will return to the Ayrshire coast.

For the daily essentials, there is a major supermarket under 10 minutes away whilst the village itself offers a number of shops and restaurants. The local primary school is within easy walking distance with secondary education provided at nearby Marr College.

For those of you who need a little retail therapy at the weekend, Kilmarnock is just 15 minutes from Earl's Green. This lovely town has much to offer with its unique mix of culture, retail and leisure with a wide range of independent boutiques sitting side by side with the high street brands you would expect.

If it's culture and style you crave, Scotland's second city is just a 45 minute drive from home. Renowned for its culture, style and the friendliness of its people, Glasgow offers a blend of internationally acclaimed museums and galleries, stunning architecture, vibrant nightlife, a huge array of restaurants and bars as well as fantastic shopping.

For those of you who need to commute into the city during the working week, the A78 being so close to the development provides easy access to the M77 direct into Glasgow, meaning you can be in the city in around 45 minutes. Barassie train station, located around half a mile from Earl's Green offers regular services into Glasgow Central Station.

Stunning scenery, beautiful beaches, the convenience of village life with a city packed full of culture and architecture under an hour away. These Bellway homes at Earl's Green, Barassie offer beautifully crafted homes in a fantastic location.

Customer Care

Our dedicated Customer Care department will ensure your move to a new Bellway home is as smooth as possible

For over sixty years the name Bellway has been synonymous with quality craftsmanship and quality homes; we are justifiably proud of this reputation and work hard to provide you with a home that meets with your dreams.

From the day a customer visits our sales centre to the move-in day we aim to provide a level of service and after-sales care that is second to none.

In recognising the close involvement our customers seek in purchasing their new homes we deliberately gear our sales hand-over process to involve our customers at every possible opportunity. Firstly all our homes are quality checked by our site managers and sales advisors. Customers are then invited to pre-occupation visits; this provides a valuable opportunity for homeowners to understand the various running aspects of their new home. On the move-in day our site and sales personnel will be there to ensure that the move-in is achieved as smoothly as possible.

Providing customer care and building quality homes is good business sense. However, we are aware that errors do occur and it has always been our intention to minimise inconvenience and resolve any outstanding issues at the earliest opportunity. In managing this process we have after sales teams and a Customer Care centre that is specifically tasked to respond to all customer complaints.

We have a 24 hour emergency helpline and provide a comprehensive information pack that details the working aspects of a new home; a 10 year NHBC warranty provides further peace of mind.

We are confident that our approach to building and selling new homes coupled with our Customer Care programme will provide you with many years of enjoyment in your new home.
