bedroom homes on Hayling Island

Bellway

A reputation you can rely on

When it comes to buying your new home it is reassuring to know that you are dealing with one of the most successful companies in the country, with a reputation built on designing and creating fine houses and apartments nationwide backed up with one of the industry's best after-care services.

In 1946 John and Russell Bell, newly demobbed, joined their father John T. Bell in a small family owned housebuilding business in Newcastle upon Tyne. From the very beginning John T. Bell & Sons, as the new company was called, were determined to break the mould. In the early 1950s Kenneth Bell joined his brothers in the company and new approaches to design layout and finishes were developed. In 1963 John T. Bell & Sons became part of the public corporate scene and the name Bellway evolved.

Over 60 years of great homes and great service

Today Bellway is one of Britain's largest house building companies and is continuing to grow throughout the country. Since its formation, Bellway has built and sold over 100,000 homes catering for first time buyers to more seasoned home buyers and their families. The Group's rapid growth has turned Bellway into a multi-million pound company, employing over 2,000 people directly and many more sub-contractors. From its original base in Newcastle upon Tyne the Group has expanded in to all regions of the country and is now poised for further growth.

Our homes are designed, built and marketed by local teams operating from regional offices managed and staffed by local people. This allows the company to stay close to its customers and take key decisions about design, build, materials, planning and marketing in response to local and not national demands. A simple point, but one which we believe distinguishes Bellway.

Halyards offers you a fantastic way of life

Set on picturesque Hayling Island, this collection of well-appointed homes offers a simply fantastic way of life. With properties ranging from two bedrooms to five, there's a home to suit everyone at Halyards, from the single professional to the busy family.

Despite its diminutive size, Hayling Island has a huge amount of attractions for locals and visitors alike. Naturally, these include a wide variety of watersports including sailing, windsurfing and jet-skiing, with a number of clubs dotted around the island.

For something a little more sedate, there are plenty of walking opportunities both by the shore and inland, including the Hayling Billy Coastal Path, a four mile long walk along the island's western coast.

As you might expect, a day at the beach is always a popular choice on Hayling Island, with three of its main beaches having won Blue Flag awards. Meanwhile, the island has a large park, two golf courses and a variety of pubs and eateries to choose between.

For your day-to-day essentials, there is a Co-operative supermarket just under a mile away from home, while a ten minute drive will take you to the Meridian Shopping Centre on the mainland in Havant where you'll find a wide variety of stores. Alternatively, you can head into the vibrant city of Portsmouth in

just 20 minutes, where you can enjoy its plethora of retail, leisure and cultural amenities.

Just under half a mile from home are Mengham infant and junior schools, while Hayling College, around the same distance away, takes children from years seven to eleven.

Havant Railway Station is a 15 minute drive, with its links to London Victoria, London Waterloo, Gatwick, Portsmouth, Southampton and Brighton. The M27 is also accessible in less than 20 minutes, with the M3 just half an hour's drive away. For international travel, Southampton Airport can be reached in around 30 minutes.

Customer Care

Our dedicated Customer Care department will ensure your move to a new Bellway home is as smooth as possible

For over sixty years the name Bellway has been synonymous with quality craftsmanship and quality homes; we are justifiably proud of this reputation and work hard to provide you with a home that meets with your dreams.

From the day a customer visits our sales centre to the move-in day we aim to provide a level of service and after-sales care that is second to none.

In recognising the close involvement our customers seek in purchasing their new homes we deliberately gear our sales hand-over process to involve our customers at every possible opportunity. Firstly all our homes are quality checked by our site managers and sales advisors. Customers are then invited to pre-occupation visits; this provides a valuable opportunity for homeowners to understand the various running aspects of their new home. On the move-in day our site and sales personnel will be there to ensure that the move-in is achieved as smoothly as possible.

Providing customer care and building quality homes is good business sense. However, we are aware that errors do occur and it has always been our intention to minimise inconvenience and resolve any outstanding issues at the earliest opportunity. In managing this process we have after sales teams and a Customer Care centre that is specifically tasked to respond to all customer complaints.

We have a 24 hour emergency helpline and provide a comprehensive information pack that details the working aspects of a new home; a 10 year NHBC warranty provides further peace of mind.

We are confident that our approach to building and selling new homes coupled with our Customer Care programme will provide you with many years of enjoyment in your new home.
