This delightful terraced house has a deceptively large interior layout, which makes it ideal for families or those seeking some extra space.

The ground floor features a handy three piece suite/shower room off the main entrance hallway, as well as two large and inviting reception rooms (one being a sunroom) that provide ample space for relaxation and entertaining. The sunroom itself offers a warm and bright space that flows out to the easy care courtyard garden and an enclosed storage area.

A convenient snug area and utility room adds to the practicality of this home, and the modern kitchen is also well equipped with modern appliances and storage space. Upstairs there are four spacious bedrooms, including a master suite complete with a walk-in dressing room. There is also a three piece family bathroom with a shower over the bath.

Parking is made simple with ample room for two to three cars to the front of the property, so don't miss your opportunity to view today.
