HOME EXCHANGE SCHEME

At Berkeley Homes we know how difficult it can be when you want to move into a chosen home but cannot make the decision until you have sold your existing property.

With our Home Exchange Scheme there is no waiting, no estate agent's fees and no uncertainty about your sale falling through at the last minute.

HOW IT WORKS

Part exchange

Berkeley will offer to part exchange your home against the new home you wish to purchase (subject to title and survey). The agreed price of your existing home must be no more than 65% of the price of your new home.

Instruct solicitors

Once the offer has been accepted, we will instruct solicitors and commission a full structural survey. No estate agency fees will be paid if the sale with Berkeley goes through.

Completion

Your sale to Berkeley Homes will be progressed so that completion is simultaneous with the completion on your new property.

This successful scheme has already helped hundreds of customers to purchase a new home from Berkeley Homes. Quite simply, we use the price agreed for your existing home as part payment for your new home.

Terms and conditions apply.
