Your free time is yours to enjoy and spend as you wish.

“Just across the road is a handy bus service to various shopping centres, local museums and a large retail park which is a hive of activity. Living here is like one long holiday – I can enjoy lovely walks along the seafront, some places which are quiet and peaceful and others which are full of activity.”

An ideal location, close to all you need...

This beautiful development of 33 one and two bedroom retirement apartments is set in Chester, a city situated on the north bank of the River Dee in Cheshire surrounded by the county's lovely agricultural land.

One of the oldest and most complete walled cities, Chester is one of the jewels in Britain's crown. The inspiration behind the name of this well located development came from Eaton Hall, the country house of the Duke of Westminster and the venue of tennis games played by Clementine Churchill.

The city is full of history, with truly stunning architecture, excellent shops, parks and restaurants, and is home to the famous Eastgate Clock which forms part of the city walls. Erected in 1897 to commemorate Queen Victoria's Diamond Jubilee, it is second only to Big Ben as the most photographed clock in the UK. In addition to providing the famous 700 year old shopping Rows, the city has the oldest racecourse, the largest Roman Amphitheatre in Britain, Chester Zoo and endless opportunities to explore the heritage and landscapes on guided walks and river cruises.

Local amenities within easy reach of Eaton Lodge

Eaton Lodge is located in Hoole, a delightful suburb just one mile east of the city centre, and offers you many local amenities right on your doorstep. With the main shopping area on Faulkner Street and Charles Street and a doctor and dentist just a short walk away, there is everything you need on a daily basis. Hoole also provides places of nature for scenic

walks within Alexandra Park and the Coronation Playing Fields, a tennis court and bowling green. Avid golfers will be spoiled by being within easy reach of Chester Golf Club situated just three miles away. Here you will find a course located alongside the River Dee that provides a challenging game for all levels of golfer.

Hoole is also well served by public

transport links, with bus stops located just outside the development on Hoole Road and within the city centre, catering for a variety of bus and train journeys enabling easy and convenient travel. For those who enjoy venturing further afield, Chester is served by both Manchester International and Liverpool John Lennon Airports, catering for domestic and international journeys.

Designed with you in mind

From talking to our Customers, we know where we build is equally as important as what we build.

We ensure our developments are well located to the local shops or town centre and essential amenities, including local transport. Each development is individually designed to blend comfortably with neighbouring properties. A great deal of importance is placed on the communal gardens, providing a welcome retreat for you, your family and friends.

Our developments benefit from a Guest Suite for the comfort and convenience of your family and friends to stay over whilst visiting, a Laundry Room with all appliances at a raised height for easy access and a lift to all floors so even shopping isn't a chore.

A beautifully furnished Owners' Lounge is another popular feature of the development and provides the perfect venue for entertaining, participating in activities organised by your Lodge Manager or just relaxing with a book.

Whether you want privacy or companionship, the choice is yours at a Churchill Retirement Living development.

“My apartment is a lot easier to maintain than my previous home and of course you have the company of the other Owners. There are regular activities that take place in the Owners' Lounge giving everyone the opportunity to get together.”

Mrs Joan Wertheim
Abbots Lodge, Canterbury

Safety & Security

Safety and security in our developments is our priority. We want to provide you with the peace of mind to relax and enjoy your new lifestyle.

A 24 hour emergency Careline system is provided via a discreet personal pendant alarm and bathroom call point. In an emergency this system provides direct contact to either your Lodge Manager, when on duty, or a member of the Careline team 24-hours a day, 365 days a year.

A camera entry system is installed and can be operated via a standard TV set from your apartment. This allows you to view a visitor before letting them in at the main entrance door simply by changing channels on your TV set.

An intruder alarm is fitted to the front door of every apartment and on the ground floor sensors are fitted throughout the apartments.

Sophisticated fire and smoke detection systems are fitted in all apartments and throughout the communal areas in the development.

Both the intruder and fire alarm systems are connected to the Careline system.

And finally, but most importantly, there is the Lodge Manager, who is responsible for the effective and smooth running of the development. We hope you will come to see him or her as a neighbour you may call upon. You'll find them a great help, from answering day to day queries to keeping an eye on your apartment if you go away, providing you with peace of mind for a safe and secure retirement in your new apartment.

“I am so happy living here, I have made lots of new friends and never feel lonely. The Security is excellent and I feel so much safer than when I was living on my own. Our Lodge Manager is lovely and it's very reassuring to know that she is here to help and keep an eye on the development.”

Features & Specification

Our developments have been carefully designed to make life easier for those in their retirement years.

There's a winning combination of design and functionality in both the kitchen and shower room. Tiled and colour co-ordinated, they are specifically designed to be pleasing to the eye.

The modern kitchens have colour co-ordinated worktops and built-in fridge and freezer. The oven is located at just the right height to save you bending down and there's a separate ceramic hob and chimney hood.

Selected apartments have a bathroom with over shower and ensuite or benefit from a cloakroom, whilst the majority have a shower room, all tastefully designed with our Customers' needs in mind.

The development is heated via communal air source heat pumps which use the latent heat in the outside air. The system is energy efficient and therefore reduces running costs as the pumps are able to produce more energy than they consume. This delivers a very efficient form of heating.

All apartments are inspected by our Customer Services Department to ensure they are handed over to the standard of finish and quality expected by our discerning Customers.

Have you thought about how much your current home costs you?

We recommend that you complete the table on the right, so that you can really see for yourself the financial benefits of moving to a Churchill Retirement Living apartment managed by Millstream Management Services.

We are proud to appoint Millstream Management Services Ltd to oversee the smooth and efficient running of our developments, ensuring the building, communal areas and landscaped gardens are maintained to a high standard for many years to come.

Our joint commitment is to make life easier for you, so you can relax and enjoy your retirement. Millstream provides a professional and personal service to all Owners, allowing you and your family to relax in the knowledge that your development is being maintained to the standard you expect by a reputable company within the industry. Both Millstream and Churchill recognise that the managing agent is there to deliver a service to you as an Owner, not vice versa, and Millstream deliver this through ensuring its staff are available to talk and, more importantly, listen to what you as an Owner has to say

about the way your development is run. When living in a Churchill Retirement Living development you no longer have to worry about normal household upkeep and maintenance. Your Lodge Manager, who we hope you will come to see as a friend or neighbour, will organise things such as window cleaning, building maintenance and gardening. Millstream will also take care of buildings insurance, water rates and the heating and lighting of the communal areas, whilst you'll be relaxing in the garden rather than tending to it. Cleaning of the communal areas is also taken care of, including the Guest Suite, so when you have friends or family to stay it's ready for them.

You will also have the benefit of being able to financially plan ahead with confidence. As with most managed developments there is one service charge* that takes care of all the running and maintenance costs of the building including the emergency call system. We suggest that you take some time to complete the Potential Savings Calculator on the opposite page to get a clearer picture of the many benefits of choosing a Churchill Retirement Living development. Our Sales Consultant will take you through further details or answer any queries you have when you visit.

*A specific breakdown of the service charge on an apartment at Barnes Lodge is available on a separate information fact sheet.
