Granary Square

AN EXCITING OPPORTUNITY

Onyx Apartments are conscientiously designed for modern, elegant, professional living. The building is an architectural achievement displaying a stunning exterior of harmoniously balanced brick and glass, positioned on the banks of the Regent's Canal, Kings Cross, London.

Every one of the 117 beautiful 1, 2 and 3 bedroom apartments have been carefully crafted, with exceptional attention to detail to every fitting and fixture for an optimum living experience.

Perfectly situated, Onyx Apartments are in one of the most well connected areas in London, with Kings Cross and St Pancras International Stations within close proximity. They also sit within the boundaries of the new N1C postcode and the wider regeneration area of Kings Cross which incorporates enticing public and green spaces, restored heritage buildings, improved education opportunities, residential and retail developments, galleries, bars and shops in the immediate neighbourhood. This pocket of London is fast evolving into a highly desirable area for living and investment.

A LOCAL EXPERIENCE

Onyx Apartments sits within easy reach of a historic, creative and commercial community. A quick stroll from your apartment is the neighbouring stylish and rejuvenated Granary Square. The classic Victorian industrial landscape has been retained, with the area's roots still evident in the characterful listed buildings lining the square. The Granary Building was originally constructed as part of a former goods yard, storing wheat for London's bakers. It is now host to an array of restaurants and cafés with alfresco European style dining, as well as being home to the esteemed Central Saint Martins College.

A walk or short tube ride from your front door you have the luxury of being able to visit nearby cultural London gems such as The British Museum, The Museum of London and the prestigious British Library which holds over 14 million books.

Take a few hours out of your busy schedule to row a boat leisurely around the lake at Regent's Park, pay a visit to the majestic tigers and hippos at London Zoo, wander round the streets of the eclectic Camden Town, or picnic on the top of Primrose Hill for incredible views over the city. Revel in a spot of retail therapy with a meander down the famous Oxford and Regent streets and finish the night off in a theatrical manner enjoying a play amid the neon lights of the West End.
