A CONTEMPORARY LATE EDWARDIAN MANSION

# ABOUT THE HOME

SKYBORNE is a truly impressive newly appointed unique home. Its charming architecture is fused with luxurious contemporary interiors, creating a sophisticated and stylish home by the SKYHALL GROUP. Situated in the area's most sought after location on the premier road, the home is located close to London yet in the heart of the exclusive semi-rural area between Essendon and Brookmans Park.

SKYBORNE is accessed through screened automated security gates, onto a large gravel circular driveway with an eye catching fountain and stately landscaped gardens. The private and secluded double plot is set in beautiful mature and manicured grounds of approx. 0.75 acres. The rear garden faces South West and the large frontage overlooks greenbelt countryside.

The main residence consists of 6 bedrooms, 6 bathrooms en-suite and 5 reception rooms, arranged over ground, 1st and 2nd floors.

The main house is entered through full height bespoke oak glazed double doors, allowing light to infuse the striking hallway, with its mirrored ceilings, full height glazed walls, elegant lighting and 60ft vistas through the centre of the home. Beautiful broad plank light oak floors lead into the gallery, where an open

tread oak, glass and stainless steel staircase presents an outstanding feature.

The main reception offers remarkable mirror reflective walls, extensive seating areas, a contemporary in the wall fireplace, dramatic lighting, silk rugs, Italian designer furniture and modern art - creating chic living and entertaining spaces that overlook the expansive rear grounds and pool.

The German high-gloss lacquered designer kitchen is situated in the central hub of the home. Fitted with state of the art Gaggenau appliances and two large Corian islands, the kitchen provides for a great family living space, including an 8-seater breakfast bar. Porcelain heated floors link the kitchen to the open plan conservatory, where a further 8 seater circular glass table provides a great dining space. A sumptuous family / cinema room is ideally located off the main kitchen. The space is spectacularly lit with ambient lighting and walls are clad in smoked grey mirrored glass - offering a relaxed environment to recline and enjoy the 75" 4K Samsung Smart TV and 5 speaker ceiling surround sound system.

A sizeable study, additional 12 seater formal dining room, WC and utility laundry room/ prep kitchen completes the well appointed and balanced circulation of the ground floor accommodation.
