Dunster Beach

Welcome to Castle Fields

Castle Fields in Dunster Beach is our latest beautifully thought out Strongvox development.

At Strongvox Homes we work hard to offer you something special. Personal, secure and privately owned, our ethos is to build individual homes and communities throughout the West Country in which people will enjoy living for many years to come.

All Strongvox homes are carefully and beautifully designed to a high specification, with the emphasis on making each house individual and in harmony with their surroundings.

Since 2004 we have built approximately 900 homes across 23 sites. An average of less than 40 homes per site means we can keep an eye on the detail for every house we build – and that's important to us.

View from the Quantocks towards the Bristol Channel

On the coast of Somerset and gateway to the Moors

Dunster Beach lies just outside the medieval village of Dunster within the north-eastern boundary of the Exmoor National Park and to the west of the Quantock Hills, England's first Area of Outstanding Natural Beauty. Dunster village is situated on the south bank of the Bristol Channel, 2.5 miles (4 km) south-southeast of Minehead and 20 miles (32 km) northwest of Taunton. Exeter and Bristol are equidistant to Dunster, and both these cities provide excellent shopping and leisure facilities; furthermore both Exeter and Bristol have their own airports which offer an ever growing selection of national and international destinations.

Minehead town itself has an excellent range of local shops and restaurants together with leisure facilities including golf, sailing and the Community Sports Centre.

Castle Fields, Dunster Beach

Castle Fields, Dunster Beach is an exciting new development of 54 homes with 1, 2, 3 and 4 bedrooms available including some homes particularly priced for the local community to afford.

Dunster is a picturesque medieval village which celebrates its historic links to the weaving trade. Overlooked by Dunster Castle, the Yarn Market, Tithe Barn, Mill and long beach have become favourite destinations for tourists. The famous West Somerset Railway (England's longest preserved Steam Railway) runs from Minehead via Dunster to Bishops Lydeard, near Taunton. Along the way there are gift shops, pubs, museums and places of interest. A great day out.
