Riverwalk is a distinctive luxury development on the North bank of the River Thames in Westminster, a collaboration between Ronson Capital Partners and architects Stanton Williams.

Inspired by the curves of the river, this landmark building faces the iconic MI6 building on the South Bank and is ideally positioned to provide outstanding views. This apartment on the twelfth floor has an impressive circular entrance hall, leading off are 3 double bedrooms, a spectacular reception room and a guest cloakroom. There are airy high ceilings (2.75m in the reception room) and floor to ceiling motorised sliding doors lead from the principal rooms onto a panoramic balcony. The enormous open-plan reception room has a dark oak marine ply floor and a stunning bespoke kitchen by Boffi, with appliances from Miele and Gaggenau. The three double bedrooms have fitted wardrobes, luxury ensuite bathrooms and large windows. The master bedroom suite has a large marble clad bathroom with a double vanity unit, luxury shower and separate bath.

This exclusive development has a 24 hour concierge, valet parking and residents fitness suite. The central location means that this is a perfect base from where to sample all the delights of London.
