Having been in the same family for three generations Pinkneys Farm House occupies a plot of around one-and-a-quarter acres. Features of the grounds include an enclosed hard tennis court, small orchard, patio seating area, pergola walk-way, formal lawn area and rose garden. There is a lightly wooded area to the front of the plot affording a good degree of privacy with many fine specimen trees including a handsome mature Redwood. The exterior of the property has recently been decorated with much of the rendering having been attended to. The accommodation provides master bedroom with dressing area and bathroom, three further bedrooms and family bathroom. The ground floor offers a welcoming reception hall with all

principal rooms leading off it. There is a comfortable drawing room with open fireplace, spacious dining room, garden room and modern kitchen. On the lower ground floor there is the family room/fifth bedroom and wet room, utility room, boot room and laundry room. There is a separate staircase leading down to the cellar providing a useful additional storage area. To the rear of the house is a more recently constructed detached double garage.
