An Independent lifestyle

Each apartment is completely self-contained with its own front door, providing you with privacy and peace and quiet when you want it. When you fancy some company you'll find the Owners' Lounge a popular and relaxed meeting place.

To ensure you have the time to enjoy your new lifestyle all maintenance and upkeep of the development is taken care of for you. All those irritating, time consuming maintenance jobs are now someone else's problem. You no longer have to worry about chores like the window cleaning and gardening, just relax and enjoy.

The safety and security features in your apartment, along with all the maintenance running costs and upkeep of the communal areas, including the lift, are covered in a service charge, so you can budget with confidence.

Grange Lodge also features a Wellbeing Suite providing hairdressing, beauty and treatment facilities conveniently within the development.

Your free time is yours to enjoy and spend as you wish.

“Just across the road is a handy bus service to various shopping centres, local museums and Gunwharf Quays which is a hive of activity. Living here is like one long holiday – I can enjoy lovely walks, along seafront, some places which are quiet and peaceful and others which are full of activity.”

An ideal location, close to all you need...

This prestigious development of one and two bedroom retirement apartments is situated at one end of Portishead High Street, with the wide selection of local shops easily accessible and on a level walk.

The town itself is magnificently situated, with sweeping views of the Severn Estuary, the Welsh coastline, both Severn bridges to one side and the beautiful and scenic Gordano Valley to the other.

Portishead's history dates back to the Roman times with its name deriving from the phrase 'port at the head of the river'. Situated on the Bristol Channel coastline, the town first rose to fame when the deepwater dock was built in the 1830s, facilitating international importing and exporting businesses. Many years on, the dock has been well preserved and is the centre of the area's exciting marina development programme. The new marina offers many opportunities for sailing, but if smaller boats are more appealing you can hire a row-boat at the Lake Grounds, one of Portishead's several Conservation Areas. Lake Grounds is an ideal place for relaxing, picnicking, watching cricket or bowls, or even playing pitch and putt with the grandchildren.

Portishead has a lively community with regular annual events such as a carnival, flower show and a raft race in the summer; while in December the town lights up the streets with its decorative array of Christmas lights and festivities.

Bristol itself has a fascinating history and heritage, combined with modern shopping facilities and beautiful green parks and open spaces. The city has numerous attractions from the iconic Clifton Suspension Bridge and Brunel's ss Great Britain to medieval churches and cathedrals. It also boasts some of the finest galleries and theatres in Britain,

where you can enjoy everything from world class collections of art to major West End productions. All year round Bristol plays host to hundreds of major events, from waterfront regattas to ballooning spectaculars, arts festivals to fresh food fairs.

Getting out and about couldn't be easier. Lying ten miles north-west of Bristol City

centre, Portishead offers easy access by motorway to London, the South-West, South East and the Midlands. Also bus services in Portishead run to Clevedon, Bristol and Weston-super-Mare on a regular basis catering for a variety of local journeys. For those who enjoy venturing out further afield Bristol Airport offers regular flights to worldwide destinations.

Designed with you in mind

From talking to our Customers, we know where we build is equally as important as what we build.

We ensure our developments are well located to the local shops or town centre and essential amenities, including local transport. Each development is individually designed to blend comfortably with neighbouring properties. A great deal of importance is placed on the communal gardens, providing a welcome retreat for you, your family and friends.

Our developments benefit from a Guest Suite for the comfort and convenience of your family and friends to stay over whilst visiting, a Laundry Room with all appliances at a raised height for easy access and a lift to all floors so even shopping isn't a chore.

A beautifully furnished Owners' Lounge is another popular feature of the development and provides the perfect venue for entertaining, participating in activities organised by your Lodge Manager or just relaxing with a book.

The Wellbeing Suite, providing health and beauty treatments on your doorstep, is another key benefit provided.

Whether you want privacy or companionship, the choice is yours at a Churchill Retirement Living development.

“I am so happy here. My apartment is a lot easier to maintain than my previous home and of course you have the company of the other Owners. There are regular activities that take place in the Owners' Lounge giving everyone the opportunity to get together.”

Mrs Joan Wertheim
Abbots Lodge, Canterbury

Safety and security in our developments is our priority. We want to provide you with the peace of mind to relax and enjoy your new lifestyle.

A 24 hour emergency Careline system is provided via a discreet personal pendant alarm and bathroom call point. In an emergency this system provides direct contact to either your Lodge Manager, when on duty, or a member of the Careline team 24-hours a day, 365 days a year.

A camera entry system is installed and can be operated via a standard TV set from your apartment. This allows you to view a visitor before letting them in at the main entrance door simply by changing channels on your TV set.

An intruder alarm is fitted to the front door of every apartment and on the ground floor sensors are fitted throughout the apartments.

Sophisticated fire and smoke detection systems are fitted in all apartments and throughout the communal areas in the development.

Both the intruder and fire alarm systems are connected to the Careline system.

And finally, but most importantly, there is the Lodge Manager, who is responsible for the effective and smooth running of the development. We hope you will come to see him or her as a neighbour you may call upon. You'll find them a great help, from answering day to day queries to keeping an eye on your apartment if you go away, providing you with peace of mind for a safe and secure retirement in your new apartment.

“I am so happy living here, I have made lots of new friends and never feel lonely. The Security is excellent and I feel so much safer than when I was living on my own. Our Lodge Manager is lovely and it's very reassuring to know that she is here to help and keep an eye on the development.”

Millstream Management

We are proud to appoint Millstream Management Services Ltd to oversee the smooth and efficient running of our developments, ensuring the building, communal areas and landscaped gardens are maintained to a high standard for many years to come.

Our joint commitment is to make life easier for you, so you can relax and enjoy your retirement. Millstream provides a professional and personal service to all Owners, allowing you and your family to relax in the knowledge that your development is being maintained to the standard you expect by a reputable company within the industry. Both Millstream and Churchill recognise that the managing agent is there to deliver a service to you as an Owner, not vice versa, and Millstream deliver this through ensuring its staff are available to talk and, more importantly, listen to what you as an Owner has to say

about the way your development is run. When living in a Churchill Retirement Living development you no longer have to worry about normal household upkeep and maintenance. Your Lodge Manager, who we hope you will come to see as a friend or neighbour, will organise things such as window cleaning, building maintenance and gardening. Millstream will also take care of buildings insurance, water rates and the heating and lighting of the communal areas, whilst you'll be relaxing in the garden rather than tending to it. Cleaning of the communal areas is also taken care of, including the Guest Suite, so when you have friends or family to stay it's ready for them.

You will also have the benefit of being able to financially plan ahead with confidence. As with most managed developments there is one service charge* that takes care of all the running and maintenance costs of the building including the emergency call system. We suggest that you take some time to complete the Potential Savings Calculator on the opposite page to get a clearer picture of the many benefits of choosing a Churchill Retirement Living development. Our Sales Consultant will take you through further details or answer any queries you have when you visit.

*A specific breakdown of the service charge on an apartment at Grange Lodge is available on a separate information fact sheet.
