An Independent lifestyle

We provide you with an independent lifestyle and all the time you need to enjoy your freedom to the full in your retirement years with peace of mind, comfort and independence.

Each apartment is completely self-contained with its own front door, providing you with privacy and peace and quiet when you want it. When you fancy some company you'll find the Owners' Lounge a popular and relaxed meeting place.

To ensure you have the time to enjoy your new lifestyle all maintenance and upkeep of the development is taken care of for you. All those irritating, time consuming maintenance jobs are now someone else's problem. You no longer have to worry about chores like the window cleaning and gardening, just relax and enjoy.

The safety and security features in your apartment, along with all the maintenance running costs and upkeep of the communal areas, including the lift, are covered by the service charge, so you can budget with confidence.

Holyshute Lodge also features a Wellbeing Suite providing hairdressing, beauty and treatment facilities conveniently within the development.

Your free time is yours to enjoy and spend as you wish.

“Just across the road is a handy bus service to various shopping centres, local museums and Gunwharf Quays which is a hive of activity. Living here is like one long holiday – I can enjoy lovely walks, along the seafront, some places which are quiet and peaceful and others which are full of activity.”

An ideal location, close to all you need...

Holyshute Lodge is a beautiful development of 41 one and two-bedroom retirement apartments located in the historic market town of Honiton. It is named after the house and cottage which formerly stood on the site, the latter reputedly being used as a road tollhouse collecting tolls for the Honiton Turnpike and Paving Trust.

Well-located on the edge of the town centre the development is ideally placed for the High Street which is home to a number of independent and specialist shops - butchers, bakers, delicatessen and fishmongers - selling locally produced food and a wide range of goods. Small courtyards and alleyways leading off of the High Street provide further compelling shopping. The town is also host to a street market every Tuesday and Saturday with stalls offering fresh produce, flowers, plants, clothing, jewellery, bric-a-brac, crafts and antiques.

Set in the heart of the beautiful East Devon countryside, Honiton has been renowned for lace, pottery and glove making for centuries, and although these time honoured crafts are no longer carried out to their former extent, Honiton has numerous specialist shops dedicated to both lace and pottery.

Honiton is also a well-established centre for Antiques and Antiquarian books and attracts dealers from all over the world who come to browse in the many

antique shops, selling everything from pottery and lace through to books and furniture, or to visit one of the regular auctions held in the town.

The town also hosts an annual festival of live music and visual arts bringing Britain's established and new talents in classical music to the South West.

Honiton is within easy reach of both of the West Country's National Parks – Dartmoor and Exmoor, as well as being close to Exeter – the ancient capital of the South West. Much of the area surrounding Honiton is designated as an area of outstanding natural beauty and the town's location, near to the River Otter, provides an abundance of country

walks and footpaths to explore.

Getting out and about in Honiton couldn't be easier. The town is well served by public transport and is on the main Exeter to London rail line. Exeter International Airport is also within easy reach with regular flights to a number of UK and European holiday destinations.

Designed with you in mind

From talking to our Customers, we know where we build is equally as important as what we build.

We ensure our developments are well located to the local shops or town centre and essential amenities, including local transport. Each development is individually designed to blend comfortably with neighbouring properties. A great deal of importance is placed on the communal gardens, providing a welcome retreat for you, your family and friends.

Our developments benefit from a Guest Suite for the comfort and convenience of your family and friends to stay over whilst visiting, a Laundry Room with all appliances at a raised height for easy access and a lift to all floors so even shopping isn't a chore.

A beautifully furnished Owners' Lounge is another popular feature of the development and provides the perfect venue for entertaining, participating in activities organised by your Lodge Manager or just relaxing with a book.

The Wellbeing Suite, providing health and beauty treatments on your doorstep, is another key benefit provided.

Whether you want privacy or companionship, the choice is yours at a Churchill Retirement Living development.

“I am so happy here. My apartment is a lot easier to maintain than my previous home and of course you have the company of the other Owners. There are regular activities that take place in the Owners' Lounge giving everyone the opportunity to get together.”

Safety & Security

Safety and security in our developments is our priority. We want to provide you with the peace of mind to relax and enjoy your new lifestyle.

A 24 hour emergency Careline system is provided via a discreet personal pendant alarm and bathroom call point. In an emergency this system provides direct contact to either your Lodge Manager, when on duty, or a member of the Careline team 24-hours a day, 365 days a year.

A camera entry system is installed and can be operated via a standard TV set from your apartment. This allows you to view a visitor before letting them in at the main entrance door simply by changing channels on your TV set.

An intruder alarm is fitted to the front door of every apartment and on the ground floor sensors are fitted throughout the apartments.

Sophisticated fire and smoke detection systems are fitted in all apartments and throughout the communal areas in the development.

Both the intruder and fire alarm systems are connected to the Careline system.

And finally, but most importantly, there is the Lodge Manager, who is responsible for the effective and smooth running of the development. We hope you will come to see him or her as a neighbour you may call upon. You'll find them a great help, from answering day to day queries to keeping an eye on your apartment if you go away, providing you with peace of mind for a safe and secure retirement in your new apartment.

“I am so happy living here, I have made lots of new friends and never feel lonely. The security is excellent and I feel so much safer than when I was living on my own. Our Lodge Manager is lovely and it's very reassuring to know that she is here to help and keep an eye on the development.”

Have you thought about how much your current home costs you?

We recommend that you complete the table on the right, so that you can really see for yourself the financial benefits of moving to a Churchill Retirement Living apartment managed by Millstream Management Services.

Your Sales Consultant would welcome the opportunity to complete this form with you. It should be completed using the Management Services and Costs Leaflet that reflects the costs associated to the specific development you are interested in.

“Since moving to Steeple Lodge, we’ve been able to relax and enjoy the fantastic facilities. The Wellbeing Suite is excellent, the gardens are stunning and taken care of and, when we fancy a coffee and conversation, we can sit in our superb Owners’ Lounge with our neighbours and friends... what more could we ask for?”

Mr and Mrs Bott

**No gas is provided in a Churchill Retirement Living apartment.

We are proud to appoint Millstream Management Services Ltd to oversee the smooth and efficient running of our developments, ensuring the building, communal areas and landscaped gardens are maintained to a high standard for many years to come.

Our joint commitment is to make life easier for you, so you can relax and enjoy your retirement. Millstream provides a professional and personal service to all Owners, allowing you and your family to relax in the knowledge that your development is being maintained to the standard you expect by a reputable company within the industry. Both Millstream and Churchill recognise that the managing agent is there to deliver a service to you as an Owner, not vice versa, and Millstream deliver this through ensuring its staff are available to talk and, more importantly, listen to what you as an Owner has to say

about the way your development is run. When living in a Churchill Retirement Living development you no longer have to worry about normal household upkeep and maintenance. Your Lodge Manager, who we hope you will come to see as a friend or neighbour, will organise things such as window cleaning, building maintenance and gardening. Millstream will also take care of buildings insurance, water rates and the heating and lighting of the communal areas, whilst you'll be relaxing in the garden rather than tending to it. Cleaning of the communal areas is also taken care of, including the Guest Suite, so when you have friends or family to stay it's ready for them.

You will also have the benefit of being able to financially plan ahead with confidence. As with most managed developments there is one service charge* that takes care of all the running and maintenance costs of the building including the emergency call system. We suggest that you take some time to complete the Potential Savings Calculator on the opposite page to get a clearer picture of the many benefits of choosing a Churchill Retirement Living development. Our Sales Consultant will take you through further details or answer any queries you have when you visit.

*A specific breakdown of the service charge on an apartment at Holyshute Lodge is available on a separate information fact sheet.
