A superb garden flat, located in Camberwell, within easy walking distance of Loughborough Junction station (Blackfriars and St. Pancras) walking distance to Brixton tube and Kings College hospital. There is a well designed kitchen, with space for a dining table, sunny lounge and two bedrooms, the second bedroom is small and would take a single bed. Pretty rear garden and side access with storage. Close to Denmark Hill Station and Ruskin park, good selection of local shops and gastro pub. A great first time buy!
