

## Rownham House Rownham Hill, Leigh Woods, Bristol, BS8 3PU POA

An exceptionally rare opportunity to renovate or replace a family house in Leigh Woods, which is set in a stunning and generous plot (totalling 1.82 acres and highlighted in red on the attached illustrative plan), with commanding south facing views over the City of Bristol and beyond. Further paddock land to the front of the plot with separate access and suitable for livestock, is available by separate negotiation (totally circa 17.6 acres land hatched in blue in illustrative plan).

Rownham House is situated off Rownham Hill and lies within the boundaries of the Old Dower House to the Ashton Court estate in a mostly level walled plot that offers privacy, seclusion and direct gated access onto the estate.

The property itself was a substantial family home (circa 4,090 square feet) that we are advised and as mentioned above could either be replaced, re-developed with a potential to extend in size by up to 50% of the current foot print (subject to the necessary consents).

There is also an outbuilding situated close to the entrance gates (circa 1,356 square feet) which could also be developed (again subject to planning permission). In addition to this there is a disused walled, open air swimming pool complex, again in need of renovation.
