Located on the 10th floor of this prominent infrastructure with direct views over Gas Holders Park, this unique apartment has been designed for lateral space and functionality with interiors being crafted by acclaimed interior architect Johnson Naylor. Through its floor to ceiling windows the living/kitchen area is filled with natural light and offers fabulous entertaining space with further access to the private balcony area. Built in wardrobes have been added to both bedrooms with full en-suite bathroom to the master. Each room is fitted with a sophisticated temperature regulating system and further benefits include wood flooring, built in storage, utility cupboard and secure video entry system.

Situated alongside St Pancras Lock on Regents Canal in one of the most redeveloped areas of London is this luxury two double bedroom, two bathroom apartment. Designed by award winning architects Niall McLaughlin Architects.

Tapestry offers residents exceptional views across the capital, fully landscaped sky garden, state-of-the-art fitness suite and 24 hour concierge and security service. In addition the property comes with private parking in the buildings resident only underground garage, this is a major benefit as spaces are no longer offered to other residents of this development and are reserved for the biggest flats in the neighbouring building at CIRCA £60,000 for a parking space.
