

Stylish new homes.

Designed and built for the 21st Century.

With a combination of stylish layouts and a choice of two and three bedroom homes, as well as the energy-efficiency of a brand-new home, Henley Grange is perfectly designed for modern living. But what makes it even more exciting is that it is at the heart of one of the country's most ambitious regeneration schemes - bringing new homes and so much more.

Village hubs - complete with state-of-the-art new schools, vibrant new village centres providing important services from shops to health centres - are creating a real sense of community whilst seeing North Solihull transformed into a great place to live, learn, play and grow. Local schooling at both primary and senior level can be found conveniently close to home - the new Smith's Wood Community Primary school - which also includes a community centre - is close to Henley Grange, while Smith's Wood Sports College is around half a mile away. You will find supermarkets from Tesco to Morrisons and Aldi in Castle Bromwich, just over a mile away, and Birmingham is a top city shopping destination few can rival for its major stores, malls and markets - matched only by the calibre and choice of entertainment venues from the largest cinema screen in the Midlands to the UK's first purpose-built digital planetarium.

When it comes to sports and relaxation close to home, the North Solihull Sports Centre offers superb leisure facilities including a swimming pool and 100-station gym. Green space is a key part of the revitalisation of the area, and several parks and a local nature reserve in Smith's Wood are being redeveloped. Elsewhere in Solihull you will find parks to enjoy everything from play areas to special events like Mad Hatter Tea Parties, and you are also ideally placed for days out in the stunning Leicestershire and Warwickshire countryside.

At Henley Grange you are in a superb location for the M6 and M42, with Birmingham International Airport just six miles away. There are several bus services linking the local area to the city and surrounding area, while Coleshill Parkway, under three miles away, offers free parking and train services to Birmingham, Nuneaton, Leicester, Peterborough, Cambridge and London Euston.

Customer Care

Our dedicated Customer Care department will ensure your move to a new Bellway home is as smooth as possible

For sixty years the name Bellway has been synonymous with quality craftsmanship and quality homes, we are justifiably proud of this reputation and work hard to provide you with a home that meets with your dreams.

From the day a customer visits our sales centre to the move-in day we aim to provide a level of service and after-sales care that is second to none.

In recognising the close involvement our customers seek in purchasing their new homes we deliberately gear our sales hand-over process to involve our customers at every possible opportunity. Firstly all our homes are quality checked by our site managers and sales advisors. Customers are then invited to pre-occupation visits; this provides a valuable opportunity for homeowners to understand the various running aspects of their new home. On the move-in day our site and sales personnel will be there to ensure that the move-in is achieved as smoothly as possible.

Providing customer care and building quality homes is good business sense. However, we are aware that errors do occur and it has always been our intention to minimise inconvenience and resolve any outstanding issues at the earliest opportunity. In managing this process we have after sales teams and a Customer Care centre that is specifically tasked to respond to all customer complaints.

We have a 24 hour emergency helpline and provide a comprehensive information pack that details the working aspects of a new home; a 10 year NHBC warranty provides further peace of mind.

We are confident that our approach to building and selling new homes coupled with our Customer Care programme will provide you with many years of enjoyment in your new home.
