Bellway

A reputation you can rely on

When it comes to buying your new home it is reassuring to know that you are dealing with one of the most successful companies in the country, with a reputation built on designing and creating fine houses and apartments nationwide backed up with one of the industry's best after-care services.

In 1946 John and Russell Bell, newly demobbed, joined their father John T. Bell in a small family owned housebuilding business in Newcastle upon Tyne. From the very beginning John T. Bell & Sons, as the new company was called, were determined to break the mould. In the early 1950s Kenneth Bell joined his brothers in the company and new approaches to design layout and finishes were developed. In 1963 John T. Bell & Sons became part of the public corporate scene and the name Bellway evolved.

Over 60 years of great homes and great service

Today Bellway is one of Britain's largest house building companies and is continuing to grow throughout the country. Since its formation, Bellway has built and sold over 100,000 homes catering for first time buyers to more seasoned home buyers and their families. The Group's rapid growth has turned Bellway into a multi-million pound company, employing over 2,000 people directly and many more sub-contractors. From its original base in Newcastle upon Tyne the Group has expanded in to all regions of the country and is now poised for further growth.

Our homes are designed, built and marketed by local teams operating from regional offices managed and staffed by local people. This allows the company to stay close to its customers and take key decisions about design, build, materials, planning and marketing in response to local and not national demands. A simple point, but one which we believe distinguishes Bellway.

Family living made easy in a location made for a relaxed lifestyle

With a choice of three, four, and five bedroom homes, The Marches is a stylish collection of new homes in Stepps, ideally located to the north-east of Glasgow. With a proud mining tradition and a history of whisky making, Stepps now offers a perfect blend of an energy-efficient new home built to 21st Century standards, a community feel and easy access to one of Europe's most vibrant cities. You will find a thriving local Cultural Centre which hosts activities and local amenities including a newly built library as well as hairdressers, florists and a supermarket.

You are also ideally placed for larger scale retail centres such as Robroyston, three miles away and The Fort with its excellent choice of shops, just five miles away. Leisure and sports facilities include Bannantynes in Stepps while the Iain Nicolson Recreation Centre, a mile and a half away, offers badminton courts, gym and health suite.

When it comes to eating out, The Fort features a selection of restaurants just minutes drive away, while Stepps and the surrounding area offer a choice from family meals or a quick coffee to romantic dining just a mile away in Muirhead. Internationally renowned cuisine can be found along the Glasgow streets and at Buchanan Galleries, Princes Square and St. Enoch Centre. For film buffs all the new releases are ready to be enjoyed at The Cineworld and Odeon multiplexes.

Glasgow hosts events all-year-round, from summer festivals and fiestas to the winter ice-rink in George Square and Christmas Markets so there is sure to be something to suit all ages.

While city life is on the doorstep, so is green open space. Hogganfield Park, around a mile from home, offers beautiful woodland and a stunning loch. Crow Wood Golf Course is also close to the development.

Yet while relaxed living is never far away at The Marches, it is also ideal commuting territory with Stepps station's rail services to Glasgow Queen Street in just 15 minutes. Road links are excellent with the A80, M80 and M8 all conveniently nearby and Glasgow International Airport just 14 miles.

Customer Care

Our dedicated Customer Care department will ensure your move to a new Bellway home is as smooth as possible

For over sixty years the name Bellway has been synonymous with quality craftsmanship and quality homes; we are justifiably proud of this reputation and work hard to provide you with a home that meets with your dreams.

From the day a customer visits our sales centre to the move-in day we aim to provide a level of service and after-sales care that is second to none.

In recognising the close involvement our customers seek in purchasing their new homes we deliberately gear our sales hand-over process to involve our customers at every possible opportunity. Firstly all our homes are quality checked by our site managers and sales advisors. Customers are then invited to pre-occupation visits; this provides a valuable opportunity for homeowners to understand the various running aspects of their new home. On the move-in day our site and sales personnel will be there to ensure that the move-in is achieved as smoothly as possible.

Providing customer care and building quality homes is good business sense. However, we are aware that errors do occur and it has always been our intention to minimise inconvenience and resolve any outstanding issues at the earliest opportunity. In managing this process we have after sales teams and a Customer Care centre that is specifically tasked to respond to all customer complaints.

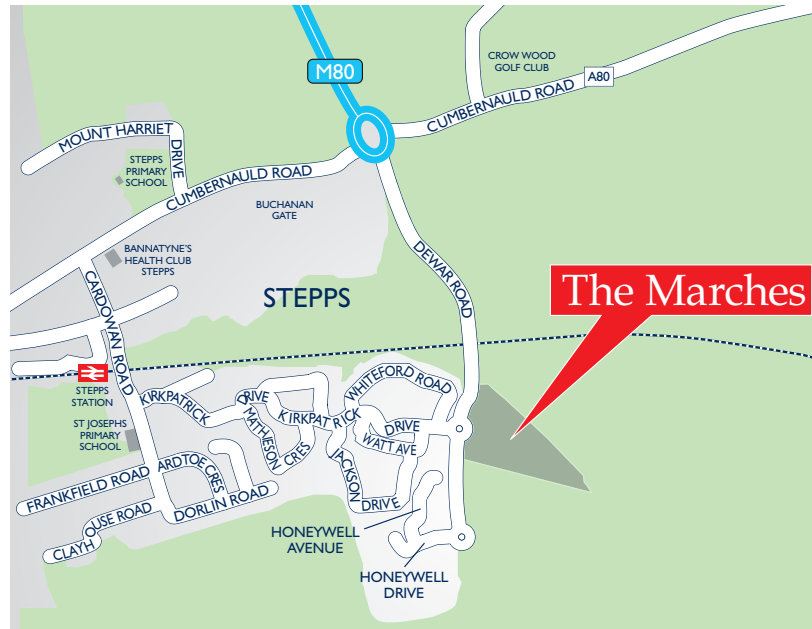

We have a 24 hour emergency helpline and provide a comprehensive information pack that details the working aspects of a new home; a 10 year NHBC warranty provides further peace of mind.

We are confident that our approach to building and selling new homes coupled with our Customer Care programme will provide you with many years of enjoyment in your new home.
