Bellway

A reputation you can rely on

When it comes to buying your new home it is reassuring to know that you are dealing with one of the most successful companies in the country, with a reputation built on designing and creating fine houses and apartments nationwide backed up with one of the industry's best after-care services.

In 1946 John and Russell Bell, newly demobbed, joined their father John T. Bell in a small family owned housebuilding business in Newcastle upon Tyne. From the very beginning John T. Bell & Sons, as the new company was called, were determined to break the mould. In the early 1950s Kenneth Bell joined his brothers in the company and new approaches to design layout and finishes were developed. In 1963 John T. Bell & Sons became part of the public corporate scene and the name Bellway evolved.

Over 60 years of great homes and great service

Today Bellway is one of Britain's largest house building companies and is continuing to grow throughout the country. Since its formation, Bellway has built and sold over 100,000 homes catering for first time buyers to more seasoned home buyers and their families. The Group's rapid growth has turned Bellway into a multi-million pound company, employing over 2,000 people directly and many more sub-contractors. From its original base in Newcastle upon Tyne the Group has expanded in to all regions of the country and is now poised for further growth.

Our homes are designed, built and marketed by local teams operating from regional offices managed and staffed by local people. This allows the company to stay close to its customers and take key decisions about design, build, materials, planning and marketing in response to local and not national demands. A simple point, but one which we believe distinguishes Bellway.

Enjoy life from a more advantageous position.

With its two bedroom homes, contemporary mews setting, and a location to enjoy the amenities of Warmley, Green Park Mews puts you in an enviable position.

With a High Street, Tesco Express on the Bath Road, and farm shop selling seasonal and organic produce, fresh-baked bread and free-range eggs, Warmley offers diverse local shopping; Longwell Green Retail Park is nearby and Keynsham's Tesco superstore is just three miles away. Enjoy Nepalese dishes at a local restaurant, real ales and hog roasts in traditional pubs in Warmley and surrounding villages, live sessions at Warmley Jazz Club - or head to Bristol for cool, quirky bars and comedy clubs.

The local Grange School and Sports College has a well-equipped fitness suite and gym, and Longwell Green Leisure Centre a swimming pool. Longwell Green is also home to a Vue cinema, with the 13-screen Showcase Cinema de Lux in Bristol. The 'style capital of the South West,' Bristol also has flagship fashion stores, designer and urban trend brands, chic Cabot Circus mall, and the only Harvey Nichols in the region, there is also a wealth of places to unwind and dine, with names from Raymond Blanc to Carluccio's, Tampopo to La Tasca.

Close to home, Warmley Forest Park is the place for wildlife, woodland, and brookside walks. Enjoy the landscape on foot or bike - with the popular Bristol and Bath Cycle Path's Warmley to Bitton route ideal terrain. Discover the unique Kingswood Heritage Museum with its gardens, giant statue, grottos and café for a pit-stop, or take a nostalgic trip on the steam train on the Avon Valley railway from Bitton.

Customer Care

Our dedicated Customer Care department will ensure your move to a new Bellway home is as smooth as possible

For over sixty years the name Bellway has been synonymous with quality craftsmanship and quality homes; we are justifiably proud of this reputation and work hard to provide you with a home that meets with your dreams.

From the day a customer visits our sales centre to the move-in day we aim to provide a level of service and after-sales care that is second to none.

In recognising the close involvement our customers seek in purchasing their new homes we deliberately gear our sales hand-over process to involve our customers at every possible opportunity. Firstly all our homes are quality checked by our site managers and sales advisors. Customers are then invited to pre-occupation visits; this provides a valuable opportunity for homeowners to understand the various running aspects of their new home. On the move-in day our site and sales personnel will be there to ensure that the move-in is achieved as smoothly as possible.

Providing customer care and building quality homes is good business sense. However, we are aware that errors do occur and it has always been our intention to minimise inconvenience and resolve any outstanding issues at the earliest opportunity. In managing this process we have after sales teams and a Customer Care centre that is specifically tasked to respond to all customer complaints.

We have a 24 hour emergency helpline and provide a comprehensive information pack that details the working aspects of a new home; a 10 year NHBC warranty provides further peace of mind.

We are confident that our approach to building and selling new homes coupled with our Customer Care programme will provide you with many years of enjoyment in your new home.
