Bellway

A reputation you can rely on

When it comes to buying your new home it is reassuring to know that you are dealing with one of the most successful companies in the country, with a reputation built on designing and creating fine houses and apartments nationwide backed up with one of the industry's best after-care services.

In 1946 John and Russell Bell, newly demobbed, joined their father John T. Bell in a small family owned housebuilding business in Newcastle upon Tyne. From the very beginning John T. Bell & Sons, as the new company was called, were determined to break the mould. In the early 1950s Kenneth Bell joined his brothers in the company and new approaches to design layout and finishes were developed. In 1963 John T. Bell & Sons became part of the public corporate scene and the name Bellway evolved.

Over 60 years of great homes and great service

Today Bellway is one of Britain's largest house building companies and is continuing to grow throughout the country. Since its formation, Bellway has built and sold over 100,000 homes catering for first time buyers to more seasoned home buyers and their families. The Group's rapid growth has turned Bellway into a multi-million pound company, employing over 2,000 people directly and many more sub-contractors. From its original base in Newcastle upon Tyne the Group has expanded in to all regions of the country and is now poised for further growth.

Our homes are designed, built and marketed by local teams operating from regional offices managed and staffed by local people. This allows the company to stay close to its customers and take key decisions about design, build, materials, planning and marketing in response to local and not national demands. A simple point, but one which we believe distinguishes Bellway.

Discover village life far from the ordinary.

At Mitford Fields you'll discover a choice of stylish two, three, four and five bedroom homes in a setting best known as the home of the 19th century authoress Mary Russel Mitford and featuring thatched houses and cottages, Three Mile Cross is a story of thriving village life and a sought after gem of a location.

The surrounding area is home to several primary and junior schools including the James Madejski Academy in Reading at senior level. Visit Loddon Valley Leisure for its state-of-the-art facilities from badminton, tennis and squash, fitness classes and five-a-side football to swimming pool, personal trainers, sauna and steam room three miles away.

Three Mile Cross offers walks along footpaths, across stiles and past hedgerows and pond, with a Local Wildlife Site where deer and hare can be glimpsed, birdsong heard and spring violets and primroses seen in spots like Woodcock Lane.

The area is ideal for horse-riding, with nearby riding centres offering off-road hacking, popular summer picnic rides, eventing and competitions. Yet just minutes' drive away Reading offers up-to-the-minute modern entertainment too.

Vue – as well as a wealth of chains from Nandos to Jamie's Italian – are at the Oracle Shopping Centre. Reading is also home to Broad Street Mall and superstores, Sainsbury's and Tesco.

Earley and Mortimer stations offer services into London Waterloo or direct trains can be taken from the National mainline station in Reading in around 45 minutes. By road from the cross-roads of the A33 and M4's Junction 11, Basingstoke is 14 miles, Windsor 21 miles, and Heathrow 27 miles away from home.

Customer Care

Our dedicated Customer Care department will ensure your move to a new Bellway home is as smooth as possible

For over sixty years the name Bellway has been synonymous with quality craftsmanship and quality homes; we are justifiably proud of this reputation and work hard to provide you with a home that meets with your dreams.

From the day a customer visits our sales centre to the move-in day we aim to provide a level of service and after-sales care that is second to none.

In recognising the close involvement our customers seek in purchasing their new homes we deliberately gear our sales hand-over process to involve our customers at every possible opportunity. Firstly all our homes are quality checked by our site managers and sales advisors. Customers are then invited to pre-occupation visits; this provides a valuable opportunity for homeowners to understand the various running aspects of their new home. On the move-in day our site and sales personnel will be there to ensure that the move-in is achieved as smoothly as possible.

Providing customer care and building quality homes is good business sense. However, we are aware that errors do occur and it has always been our intention to minimise inconvenience and resolve any outstanding issues at the earliest opportunity. In managing this process we have after sales teams and a Customer Care centre that is specifically tasked to respond to all customer complaints.

We have a 24 hour emergency helpline and provide a comprehensive information pack that details the working aspects of a new home; a 10 year NHBC warranty provides further peace of mind.

We are confident that our approach to building and selling new homes coupled with our Customer Care programme will provide you with many years of enjoyment in your new home.
