

ANDERSON STREET
CHELSEA

A wonderful Grade II Listed townhouse tucked away off the Kings Road. This pretty house has undergone complete refurbishment by the present owners and yet retains all of its original charm and character.

This property has superb living space which includes an open plan kitchen and dining room. The kitchen has been fitted with the latest modern appliances and enough storage to ensure everything has a home. There is an archway connecting through to the dining room and both rooms have polished parquet wood flooring and large sash windows complete with original Victorian wooden shutters.

On the first floor there is even more living space including a wonderful reception room with cast iron fireplace, two floor to ceiling sash windows and beautiful wooden floors.

The master bedroom suite is located at the back of the house and has full width sliding doors opening onto a small outside space and also has a dressing room and large ensuite bathroom.

There are three further double bedrooms, two more bathrooms and unusually for such a central location, a private garden with side access and a detached garage.

Anderson Street could not be better located for access to the shops on Kings Road or a coffee on Dukes Square and Sloane Square station is within a quarter of a mile.
