

The UK's number one property website

<b>Job Title:</b>	Digital Designer
<b>Reporting to:</b>	Design Team Leader
<b>The Role:</b>	<p>You will be joining one of Rightmove's product development teams to design and develop engaging and intuitive user interfaces for web and mobile applications, working closely with marketing and stakeholders.</p> <p>We require a creative thinker who also knows the technical ins-and-outs. You will be responsible for seeing projects through from initial visuals to completion and often on-going site maintenance.</p> <p>You should have a strong background working on creative and innovative user-focused web designs. You should also be able to hand code XHTML, CSS to W3C AA standards.</p> <p>In this role you will also be responsible for all the user interface aspects of the product, ensuring current accessibility standards are met and pushing the boundaries of Web User Interface technologies.</p>
<b>Requirements:</b>	<p>You will be able to demonstrate the following:</p> <ul style="list-style-type: none"><li>• A firm understanding and appreciation of branding, design and communication across all aspects of digital media and its relationship with the user experience;</li><li>• Effective management of multiple projects/ tasks of varying complexities, to meet deadlines and deliver projects on time;</li><li>• Ability to communicate ideas quickly and illustrate concepts through sketches, storyboards, mockups, wire frames and rapid prototyping;</li></ul>

	<ul style="list-style-type: none"> <li>• A substantial level of experience working in a similar role supported by a strong portfolio that stands out from the rest;</li> <li>• Experience developing front-end code for highly trafficked database-driven websites;</li> <li>• Understanding of Web Analytics/SEO and how these affect design choices.</li> </ul> <p>Highly desirable:</p> <ul style="list-style-type: none"> <li>• Knowledge and experience of Human Computer Interaction principles;</li> <li>• Experience in an Agile development environment;</li> <li>• Knowledge of design for mobile applications</li> </ul>
<p><b>Company Information:</b></p>	<p>Rightmove.co.uk is the UK's number one property website displaying details of homes for sale or rent to the largest online audience. It has around 90% of all properties for sale and at any time displays a stock of over 1,000,000 properties to buy or rent, worth around £270 billion.</p> <p>The Rightmove.co.uk site receives over 30 million visits a month and serves over 500 million pages of property information to end users. It has been ranked as high as 7th in terms of most viewed UK websites (source: Hitwise) and was named 'Best UK Property Portal' at the 2007 Daily Mail Property Awards. Rightmove was also named 'Best Homes website' in the BT Online Excellence Awards 2007.</p>
