Company Information:

Rightmove.co.uk is the UK's number one property website displaying details of homes for sale or rent to the largest online audience. It has around 90% of all properties for sale and at any time displays a stock of over 1,000,000 properties to buy or rent, worth around £270 billion. The Rightmove.co.uk site receives over 30 million visits a month and serves over 500 million pages of property information to end users. It has been ranked as high as 7th in terms of most viewed UK websites (source: Hitwise) and was named 'Best UK Property Portal' at the 2007 Daily Mail Property Awards. Rightmove was also named 'Best Homes website' in the BT Online Excellence Awards 2007.
