LOCATION

Fairylea House is situated at the end of a well-maintained private farm road, in the heart of the Vale of Strathmore, a private and peaceful location while also being close to local shops in Alyth and Blairgowrie. Blairgowrie is a vibrant market town with a particularly good range of shops and services including banks and solicitors, doctors and a community hospital as well as primary and secondary schooling. In addition to a Tesco Superstore, there is a range of excellent independent shops, cafes and restaurants.

Fairylea House is midway between Blairgowrie and Alyth and is well placed for road accessibility: the A94 through Coupar Angus connects Perth to Forfar and the main Dundee to Aberdeen road (A90). Perth is only 20 miles away and offer a comprehensive range of high street shops and services with a motorway connection to Edinburgh. Dundee Airport has services to London City Airport, Birmingham and Belfast and a railway station on the main east coast line. There are a number of public schools in the area including Glenalmond, Strathallan, Dundee High School and St Leonards. Prep schools include Craigclowan, Ardvreck and St Leonards-New Park.

Fairylea House could hardly be better placed for those who enjoy the outdoors. The spectacular Angus glens rise up to the north-east, and the Perthshire hills to the north-west. There is first class fishing on the Isla, Tay, Esks and Ericht. In addition to local golf courses at Alyth and Glenisla there are championship courses at Blairgowrie, and world-renowned courses at Carnoustie, Gleneagles and St Andrews which are all within 40 miles of Fairylea House.

GARDENS AND PADDOCK

Fairylea House is situated in an established, mature and well stocked garden with grounds extending to approximately 3.5 acres including a courtyard garden, large lawns and sweeping driveway providing ample parking. There is an area of woodland immediately behind the house.

There is a rockery with water feature at the rear of the house and lawns with beds of shrubs surround a gravel sweep to the front. Within the steading courtyard there is a formal garden and a fabulous barbecue area. To the west of the house is the original walled garden with an all-weather tennis court and summer house; an apple orchard with over 40 varieties of apple trees, an azalea garden and further areas of lawns enclosed by established hedging and shrub planting.

A small paddock to the east of the house is planted with specimen trees and would be ideal for keeping hobby livestock.

STONE BUILT STEADINGS

An extensive range of stone steadings form a courtyard at the rear of the house. They have attractive cart shed openings and capacious barn spaces. There is excellent potential to further develop the outbuildings subject to the necessary permissions being obtained. Viewing is essential to fully appreciate the opportunity and extent of the stone-built steadings with Fairylea House.

TENNIS COURT

The all-weather hard base tennis court has been well maintained and is a particularly attractive addition to gardens and grounds surrounding Fairylea House.

OUTBUILDINGS

Kennel, workshop, gym, garage, wood shed, substantial home cinema/play area/gallery and greenhouse.
