Location...

The South Lincolnshire market town of Boston is located on the Fens approximately 115 miles to the north of London and has a population of around 83,000 residents and is known to be one of the fastest growing towns in the East Midlands.

The town is well known for the famous Boston Stump, a cathedral size parish church, the largest in England, a twice weekly market, operational port, large hospital with a strong retail and good sporting offerings.

The property is located to the Southeast of the town close to a number of successful residential developments such as The Quadrant and other schemes by Jelson Homes, Cyden Homes and Ashwood Homes.

The new Boston Football Stadium is located approximately 1 mile to the west along with a number of developments including a successful residential development with roadside services and commercial activity known as The Quadrant.

The site is located to the south of Marsh Lane sharing an access with Motor Parts Direct and Parkinson Harness Technology.

The Scheme...

The land comprises a rectangular area extending to 3.6 acres, 1.46 hectares in total.

Plans completed by Clive Wicks Architects of Sleaford showing an arrangement of terraced units suitable for trade counter for light industrial use.

The design is shown on this brochure and incorporates four rows of terraced units in 4's and 5's.

Each unit extending to provide 2,280sqft, 211sqm of accommodation having 6m internal eaves height, roller shutter doors, insulated cladding panels, kitchenette, office and WC.

The scheme shows HGV turning, 18 additional parking spaces with an average of 3 spaces per unit allocated on the estate which features tree lined western and southern boundaries.
