Location...

The bustling market town of Boston has a population of approximately 68,000 residents and is located 115 miles to the north of London, road services to the East Midlands via the A52, A17 and A16 trunk roads.

The town has a direct railway to Grantham, where the main line to King's Cross intersects. The town has a strong retail offering, leisure facilities and large hospital, port and twice weekly market.

The property is located in a highly visible location to the south of the town centre, near to the John Adams dual-carriageway with a vehicular access at the rear.

Accommodation...

Office suites are available on flexible terms providing high quality fully refurbished rooms, central heating, high speed broadband, use of communal meeting room and kitchen facilities and cleaning.

Services...

Other services are available including a bookable conference room and individual telephone numbers.

Pay as you Go car parking is available close by.

Occupiers will have the use of modern fully fitted communal kitchens and high quality ladies and gents WC facilities.

Connectivity...

The building benefits from a modern telephone system where existing numbers can be ported to South Square House. The licence holder will be liable for call fees only.

South Square House also has a high-speed dedicated bearer and free broadband is available throughout the building. Each suite is able to have a ring-fenced, unique Wi-Fi access point with additional wired ethernet connections subject to an additional fee.

The meeting room benefits from full connectivity for conference calling and presentations.
