TO LET – Town Centre Retail Units

LOCATION

The opportunity is located within Nottingham, a commercial hub in the East Midlands. The city is well served by excellent public transport links, with national rail links to London St Pancras, and an extensive tram (NET) network. The wider area has seen a substantial redevelopment, with the landmark Broadmarsh Car Park, new Nottingham College City Hub, 260,000 sqft HMRC building and 319 bed Vita Student Scheme, all located nearby.

The property is also situated opposite the former Broadmarsh Shopping centre which will be transformed into a mixed use scheme which will include a green space the size of Market Square, 750 new homes as well as business and office space to provide over 3,000 jobs.

The property occupies a prominent position on Carrington Street providing the main thoroughfare from Nottingham Train Station through to the market square. This pitch will soon be fully pedestrianised as the council undertake works to substantially improve the public realm. The surrounding area boasts a strong mix of national retailers which include Café Nero, Subway, Sainsburys and Greggs.
