### The Property

This immaculately finished and meticulously designed barn conversion has very recently undergone a full programme of refurbishment and redevelopment to provide great size accommodation with a contemporary flair, all over one floor. Particular mention must be made of the Bespoke William Yeoward kitchen by Smallbone with fitted Miele appliances and granite surfaces, the air source heat pump, heat recovery system and under-floor heating throughout the property giving a high degree of energy efficiency (including solar panels as part of Green Energy grant) as well as the large open plan living accommodation along with the beautifully appointed bathrooms. Situated in a small select development of similar properties in a lovely rural position at the end of a long, leafy lane whilst being ideally positioned for all major network links to the Northwest and beyond. The property is approached via a gravel driveway, providing two allocated parking spaces, leading to the front door and around either side to the front and rear garden.

The front garden is a of a good size, lawned in the main with large York stone flagged patio, ideal for alfresco dining, retained by post and rail fencing. The rear garden is in a courtyard style, flagged with York stone and enclosed by bricked elevations.
