The Property

This beautiful, bright, ground floor, two-bedroom apartment forms part of a charming and beautifully-maintained retirement development for the over 60's and is a shining example of its type in the local market. Positioned on the ground floor in the corner of the building with additional kitchen window allowing floods of natural light, the property offers generous room proportions and would be suitable for immediate occupation. The development itself sits in a convenient position on a leafy, tree-lined road opposite The Heath and within a short stroll of all local amenities.

Residents have use of a lovely communal lounge with toilet facilities, overnight suites for guests (subject to charges) and on-site house managers throughout the week.

The property sits in well-stocked and well-maintained grounds, with communal lawns bordered by mature trees, shrubs and flower beds. Approached via a communal car park with spaces subject to availability, the development also benefits from reserved visitors' spaces.

Directions

From the roundabout in Canute Square travel along Manchester Road (A50) passing The Heath on your left. Turn left into Tabley Road and the entrance to Oakwood will soon be seen on your right.
