The Property

This beautifully appointed and deceptively spacious two-bedroom apartment has been much improved over the years and provides light and flexible living accommodation over one floor. The Hill is situated on one of Knutsford's premier roads and the apartment is located at the rear of the building with panoramic views over the stunning, immaculately maintained communal gardens. Particular mention must be made of the large living dining room with dual aspect allowing floods of natural daylight and has the benefit of sliding doors opening to a Juliet balcony overlooking the formal grounds, the newly fitted modern kitchen with a range of quality integrated appliances, the large principal bedroom with fitted wardrobes and en-suite as well as the secure allocated underground parking. The property is approached over a sweeping driveway leading to both underground and visitor parking. The communal entrance is accessed at the front of the building and has lift access to all floors.

The communal grounds are a true delight with communal lawns, various seating and patio areas bordered by a multitude of mature trees, hedging, foliage and feature planting.
