Located in the popular area of Woodthorpe, this three-bedroom detached bungalow presents an exciting opportunity for buyers seeking a property with potential. Positioned on a generous plot with off-street parking, integral garage, and a spacious rear garden, the home is offered for sale with no onward chain. Conveniently situated close to the M1, the property enjoys excellent transport links to Chesterfield, Staveley, and beyond, while still offering a quiet, residential setting.

Internally, the property requires a scheme of modernisation but offers a solid and flexible layout, perfect for those looking to put their own stamp on a home. The extended kitchen area provides excellent space for redesign, and the generously sized rooms throughout make it ideal for either downsizers or families alike. There's also fantastic scope to convert the attic, subject to the necessary planning permissions, adding even more value and living space.

Externally the property benefits from off street parking for multiple vehicles to the front and access to the integral garage. The enclosed rear garden has been beautifully kept and provides a great space for entertaining and relaxing. Inside the property has 3 good sized bedrooms and a large bathroom. The family lounge has a feature fireplace. The kitchen diner wraps around the rear of the property and gives access and views over the garden.

The tenure is a freehold, has gas central heating, double glazing and is council tax band C.
