Refurbished in 2023, this immaculately presented three-bedroom property with GARAGE & PARKING provides spacious, exceptionally light-filled accommodation.

Refurbished in 2023, this immaculately presented three-bedroom property provides spacious, exceptionally light-filled accommodation with far reaching views across Penryn to St Mawes Castle and The Roseland from the first floor. With lovely proportions, high ceilings, an extended ground floor and two bathrooms, this truly is a home that would be a joy to live in.

The property has a lovely arched, open entrance porch with half-paned front door, leading into a well-lit entrance hall. A spacious lounge is to the front aspect with a large south-east facing semi-circular bay window that floods the room with natural light. (Please note, this room is currently set-up as a fourth bedroom).

To the rear of the ground floor there is an extended open-plan kitchen, dining room and snug. Only a couple of years old, the kitchen is in immaculate condition, fully fitted with sleek white gloss floor and wall units. There is an integrated fridge-freezer, washing machine, dishwasher, electric oven and ceramic hob with extractor hood. A casement window looks into the garden, whilst a Velux window and glass patio doors to the garden provide lots of additional light. There are built-in cupboards in the snug, and, in the dining area, a built-in cupboard conceals the gas boiler. Back in the hallway, there is a downstairs WC under the stairs.

On the first floor, a side window provides lots of natural light to the landing and stairwell. There is a spacious master bedroom with a large bay window flooding the room with natural light and providing magnificent far-reaching views across Penryn to St Mawes Castle and the Roseland. There is a modern ensuite shower room with a vanity unit inset with a ceramic basin and mixer tap, a WC, corner shower cubicle and a heated 'ladder' towel rail.

A second double bedroom and a single bedroom look out over the rear garden. The double bedroom has built-in wardrobes either side of the chimney breast which also has a decorative fireplace. Finally, there is a shared bathroom, with a shower over bath, a glass panel shower screen, a vanity unit inset with a ceramic basin and mixer tap, WC, and a heated 'ladder' towel rail.

Externally to the front, the property can be accessed on foot, via steps, from Kemick Road. The property is in an elevated position set back from the road by a lovely front garden, with a paved path and gravelled areas surrounded by plants, bushes and a fence providing a good degree of privacy. The garden extends along the side of the property, where there is a shed and a patio outside the kitchen. To the rear there is a lawn, with a path leading to the back gate, the garage and the parking area on Poltisko Terrace.
