# Lestraynes Lane, Rame

Guide Price £350,000

- 3 OR POTENTIALLY 4 BEDROOMS
- RURAL LOCATION
- STUNNING VIEWS
- DETACHED STUDIO
- GENEROUS OFF STREET PARKING

A spacious and extended semi-detached, dormer bungalow with flexible accommodation, which can be used as either one or two properties, as well as a separate fully insulated and heated studio. Benefitting from superb countryside views as well as being located on a quiet 'no through' lane in Rame.

This semi-detached bungalow is raised above road level, making the most of the countryside views which extend all the way to the coast in the distance. Set back from Lestraynes Lane by a small front garden, there is ample parking for multiple cars in the generous driveway.

Entering the property from the side door, you come initially into an entrance hall / utility, with a hallway leading to a

large double bedroom and a large family bathroom with bath and shower cubicle. Patio doors lead out from the utility area to a low-maintenance courtyard garden at the rear which we are informed is a 'sun trap' in the summer. A light-filled fitted kitchen and dining room extend along one side of the property and a door from the kitchen takes you into a very spacious lounge with a wood burning stove. A picture window to the front aspect provides wonderful, far-reaching, countryside views and plenty of natural light.

A door from the lounge leads into the inner hallway of the second half of the accommodation which consists of a kitchen- diner, WC and bedroom on the ground floor, and, on the first floor, a large double bedroom with plenty of built-in storage cupboards and an ensuite shower room. The kitchen-diner has patio doors out onto the front raised terrace, therefore with its own access, this can easily be used as independent accommodation if required. Alternatively the second kitchen could be converted back into a fourth bedroom as it was previously.

A large, elevated, decked area extends to the side of the property providing plenty of space for relaxing and enjoying a summer bar-be-que. Here you can also find the cabin style studio which has a lounge/ bedroom, kitchen and shower room. The cabin is fully insulated and heated, suitable for use all year round.

***Both fronting and backing onto open fields with stunning views all around, we highly recommend viewing to appreciate the wonderful rural setting of this property.***
