152 Park Road

Upon entering this renovated Victorian townhouse, you're greeted by a sense of the home being very well cared for by the present owners. It is bright and airy throughout.

The ground floor offers two generous reception rooms, the fore with a large bay window and a Victorian fireplace and the rear with similar period fireplace and views over the long rear garden.

The lower ground floor features a bright white open-plan kitchen dining room, bathed in natural light with sleek modern fixtures. The kitchen, which has been 'tanked' and has a 25 year guarantee, is fitted with integral appliances that include two under counter fridges, a dishwasher, 4 burner hob and oven. Underfloor heating creates an ambient warmth. French style doors lead out to the long garden, creating a seamless flow between indoor and outdoor living spaces perfect for hosting gatherings and enjoying the outside.

A separate utility/laundry room houses a washing machine and tumble dryer. Here can be found the underfloor heating manifold, a wall mounted 'Worcester' combination boiler and separate hot water cylinder.

Ascending the staircase to the first floor, from entrance level ground floor, you'll discover two generously proportioned double bedrooms with a smart family bathroom with overhead shower and a separate WC.

The second floor also offers two good size double bedrooms with a separate shower room and WC.

The Velux window offers access to the roof should it be required.

On the landing is a laundry cupboard giving useful storage space as well as the loft hatch opening.

Cowes

Cowes is rich in nautical heritage and an international mecca for sailing, culminating in Cowes Week held in August each year. It has quick access to Southampton via the more modern Red Jet as well as many marinas and sailing clubs dotted along the waterfront.

Within the High Street there are two supermarkets, many boutique shops, pubs and eateries. Historical Northwood House & Park hosts weddings, fairs, concerts and conferences with outside space to enjoy walks. The chain ferry, known locally as 'The Floaty', links Cowes to East Cowes where the Red Funnel car and passenger ferry to the mainland is situated.

Exterior

This home enjoys an exceptionally long garden with a large garden store at the furthest point. The French doors from the dining area open on to a terrace. To the fore is a driveway that will accommodate two vehicles and for added modern convenience, there is a 'Pod point' electric vehicle charging point.
