Cowes

Cowes is rich in nautical heritage and an international mecca for sailing, culminating in Cowes Week held in August each year. It has quick access to Southampton via the more modern Red Jet as well as many marinas and sailing clubs dotted along the seafront.

'The Old Town' is set on, and around, the High Street where you can find two supermarkets, many boutique shops, pubs and eateries. Historical Northwood House & Park hosts weddings, fairs, concerts and conferences with outside space to enjoy walks. The chain ferry, known locally as 'The Floaty', links Cowes to East Cowes where the Red Funnel car and passenger ferry to the mainland is situated.

Approaching The Property

Waterfront House is situated in the popular Old Town of Cowes and the duplex apartment is situated above an art gallery. As previously mentioned, Waterfront House has the benefit of two entrances, one on the ground floor with a door opening to the large utility area and the more formal entrance (on the first floor) is via a separate communal door on the ground floor with stairs leading up to the first floor landing. From here is a further flight of stairs up to the roof terrace, this is the entrance for the roof terrace and PANORAMIC HARBOUR VIEWS!

Ground Floor

Access is via the rear door and opening into a large tiled lobby with storage and space for outdoor paraphernalia, there is a staircase leading up to the first floor, doors to the outside lower terrace and a further passageway. Off this corridor is a second kitchen and utility area which is a huge bonus when entertaining on the large waterfront terrace. This room has a range of cupboards with a work surface over the integral fridge and dishwasher and space/plumbing for washing machine and dryer. In addition, on this floor, there is a cloakroom, a fully tiled wet room and two incredibly bright spacious double bedrooms (one with built in wardrobes) and amazing Solent views that can be enjoyed from your bed!

Basement

A HUGE basement (approximately 393sq.feet) is an ideal storeroom for bikes and any sort of watersport equipment: paddle boards, kayaks etc. The entrance is via the lower waterfront terrace and this area also gives you immediate access onto the water itself.

First Floor

A smart communal stairwell (shared with one other apartment) leads to the first floor landing and the main entrance door to Waterfront House. This opens to a stunning open plan sitting/dining room with direct views over the Solent. Two sets of tri-fold doors open onto the decked balcony, again with great views. An electric awning opens to cover the entire balcony which provides shade as well as protection from the elements. There's also a wall mounted heater to extend the use of the balcony on chilly evenings.

Also spreading out from the spacious reception room are two airy and bright double bedrooms complete with ensuite shower rooms and built in wardrobes. A further bedroom, which is extremely versatile and could be adapted into another reception room, has access to the ground floor entrance and is currently a study. There are two double built in wardrobes within this space and direct access into the large fully tiled bathroom with jacuzzi bath and very large walk in shower.

OUTSIDE SPACES

This apartment has three generous, and separate outside spaces which is a rare thing in it's location right in the centre of Cowes. On the ground floor there is a large terrace with direct access to the sea- a winch could be sited to launch a dinghy easily, and at low tide a small beach full of sea glass reveals itself! There is a super entertaining terrace accessed from the living area, and the icing on the cake-a large roof terrace (approx 775sq.ft) that offers outstanding views of Cowes harbour and the Solent beyond. Accessed via a private staircase from the communal first floor landing and served by power, water and lighting, with a stainless steel balustrade and glazed panels surrounding it on 3 sides. The roof terrace is a great place to entertain and gets full exposure to the sun throughout the day and there are few places with equal vistas in Cowes.
