With five bedrooms and four bathrooms, there is plenty of room for everyone to enjoy their own space and privacy. The layout of this property has been thoughtfully designed to maximise comfort and functionality. Completed with a secluded landscaped garden, off road parking for several vehicles and a garage - this is a wonderful home, permanent or holiday.

Interior

Immaculately presented, with high end internal features such as oak flooring, glass stair panels and low level lighting on the staircase, it is beautifully decorated as well as being light and airy throughout. This versatile property is currently configured with four bedrooms and a study but can easily revert to a five bedroom home.

Ground Floor:

Through a modern glass doorway you enter a bright hallway that has a convenient understairs storage cupboard and a doorway to the internal garage. This is spacious and gives plenty of room for a vehicle/bike/water sports paraphernalia as well as housing the Worcester boiler and where the 'dumb waiter', that reaches the top floor, is situated.

Up a few stairs you reach a utility room with space and plumbing for a washing machine and tumble dryer, sink and further storage cupboards. This useful and practical area also has access to the garden.

Also on this level are two double bedrooms, one currently used as a study, and a fully tiled family bathroom complete with bath and over head shower.

First Floor:

Two double bedrooms both with stylish ensuite shower rooms which overlook the rear garden and a separate cloakroom can be found between these two rooms. The principal bedroom has a fully tiled ensuite bathroom with jacuzzi bath and over head shower, wc and double basins within the vanity unit. This generously sized bedroom has built in wardrobes across one wall and a glass and metal balcony that has wonderful views out to the Solent and beyond.

Second Floor:

A bright and stylish room with high ceilings and has split levels between the kitchen and the living/dining area. The high end kitchen with its white gloss base and wall units have black marble worksurfaces flowing over them and continue onto to the central island. Within this well appointed kitchen are an integrated dishwasher, 2 Neff ovens, 5 zone Neff induction hob, 2 low level freezers, and a low level freezer. A wonderful feature is a 'dumb waiter' that runs from the garage to the kitchen and is a practical way to transport groceries up as well as items down to the ground floor.

Through large French doors, from which light streams in, the extended balcony has glass and steel surrounds to enjoy the magnificent view out over the water. This truly relaxing space is perfect for enjoying the end of day sunshine up to 9pm in the summer. Altogether a great area and outside space to enjoy socialising or down time.

Exterior

The block paved driveway, surrounded by landscaped gardens, has space for several vehicles and leads to the internal garage.

Accessed from both sides of the building the rear garden is a gardeners dream, filled with many varied mature plants and shrubs. Just a few include a banana plant, mature olive tree, palms, grape vine, fuschias, clematis, hazelnut, pear and apple trees. Along with two garden stores this peaceful verdant outside space has a raised decked patio with bbq area for outside dining or relaxation. A solid slate obelisk water feature adds to the calmness of the garden with its gentle tinkling.

Cowes

Cowes is rich in nautical heritage and an international mecca for sailing, culminating in Cowes Week held in August each year. It has quick access to Southampton via the more modern Red Jet as well as many marinas and sailing clubs dotted along the waterfront.

Within the High Street there are two supermarkets, many boutique shops, pubs and eateries. Historical Northwood House & Park hosts weddings, fairs, concerts and conferences with outside space to enjoy walks.
